The following rules are for your safety and that of all members and their guests. Rules are meant to be adhered to and will be enforced. Please read these, keep a copy for your reference, and assist in their enforcement.

BURNING
• Only fireplaces or pits approved by a board member, the property manager or caretaker will be allowed. Burning of plastics is discouraged. Burning barrels are not allowed.
• No fireplaces or pits are allowed on sites without a water hookup. A hose, with water turned on, must be readily accessible to the fire.
• During high risk weather conditions, the property manager has the authority to institute a ban on campfire usage. This is regardless of whatever permits and restrictions are in effect for the city or county.
• The WTTA burn pit may be used by all members when the burning permit is in effect. The permit is posted in the lodge. Burning at the pit is to stop at 12:00 noon unless authorized by the property manager on a work party day. At least one person is to remain at the WTTA burn pit during burning.
• Please do not bring debris into the park to burn or leave it at the WTTA burn pit by the lodge.

WATER
• Any modification to the permanent water system requires pre-approval by the property manager.
• Water hookups are $150.00.
• Car washing is not allowed.
• To help conserve our water, please shut off your water spigot when water is not being used.
• Yard watering should be minimized and only done by hand. No watering of lawns is allowed in July and August.
• Always double check that your water is shut off at the green water box when leaving the grounds overnight. See by-laws for failure to comply with this rule.

GENERAL CONDUCT
• Members are responsible for the actions of their guests.
• Children under the age of 16 are to be accompanied by an adult at all times while in the lodge. Sleeping in the lodge is not allowed.
• Please, no loud noises after 10:00 p.m. on Sunday through Thursday, and after midnight on Friday and Saturday.
• Pets are confined to your site unless on a leash. No pets are allowed in the children’s play area. Only two pets are allowed regardless of the number of memberships held in WTTA.
• Please use designated river access areas only, not stairs or paths through other members’ sites.
• No smoking in the lodge.
• Fishing and hunting are not allowed in the park. B-B and pellet guns are not allowed in the park. Discharging firearms is prohibited. Setting off fireworks is not allowed due to fire danger.

WORK PARTY CHARGE
• Each membership or representative thereof must attend 3 work parties per year, or there will be a charge of $150.00 per year. The work parties are held on the last Saturday of the month from April through October. If you work on 3, there is no charge. Work on 2, the charge is $50.00. Work on one, the charge is $100.00.

VEHICLE USAGE
• Must be at least 16 years old to drive. This applies to all vehicles including golf carts, ATV’s, etc.
• Please try to keep cruising and the resulting dust to a minimum and remind family and guests of the 5 mph speed limit.

SITES
• Restrictions on site usage and improvements are detailed in the by-laws and in the Skamania County conditional use permit. Please remember that.
• All site improvements including tree removal, storage sheds, RV covers, decks, fences, water hookups, etc. require approval by the property manager. Building of snow cover requires the approval of the property manager and a board member. Site development applications are available in the lodge.
• Electrical hookups from trailer to meter must be in accordance with county regulations.
• Members requesting removal of trees considered hazardous may be required to obtain a written statement from a tree expert confirming the hazardous condition before final approval for removal is obtained.
• Trailered boats are not allowed to be stored in the park. Six months with no removal constitutes storage.
• Tires and tongue must remain on RV trailers at all times.
• Courtesy lots, if available, are $5.00 per night; dump facilities are $5.00 per dump.
• Tarps utilized can only be dark green or brown. No blue tarps are allowed. Tarps must be removed by July 1st.
• Sites are to be cleaned by June 1st and maintained. Trailer exteriors are to be cleaned by July 1st. If not cleaned by these dates, it will be done and billed to you at $50.00 per hour. $25.00 goes to the person cleaning the site, and $25.00 goes to WTTA.
• Black water holding tanks are required to be buried, placed under the trailer, or otherwise covered.

LODGE RENTAL
• Lodge rental is $50.00 per day. A $50.00 deposit is required which is refunded if the lodge is left clean and in good condition.
• The lodge may not be rented on work party Saturdays April through October or peak holiday season from May to September.
• Please see application form above calendar in lodge for procedures, conditions, restrictions, and reserving a date.

AND NOW FOR THE MOST IMPORTANT RULE... ENJOY YOUR STAY, RELAX, AND HAVE FUN.
