HOUSEMADE BOOZE

1 oz

Classic Vodka - 7

Floral, cold nose, slightly sweet, buttery finish
Crisp and clean as the air on a sunny morning after an all-night snowfall in the Park. Think pure. And then think purest-er.

Glacier Rye - 8

The remarkable nature of this spirit demanded we bottle some unaged. The way a sky-blue, glacier fed lake demands you dive right in.

Maple Rye - 8½

A gift for Canada's 150th birthday. Bringing the east to the west in a harmonization of Québec maple & Alberta rye.

Alpine Dry Gin - 8

Hand-picked Canadian spruce tips define our crisp Alpine Dry Gin. We took care of foraging for the perfect botanicals.

Vanilla Vodka - 7½

As warm and comforting as an alpine hut after a cold day in the back country. Only with much less gear. A glass will do.

Espresso Vodka- 7½

Just like a rich cup of coffee brewed over an early morning campfire. But with Vodka. So even better.

Chili Vodka - 7½

Just enough heat and spice to warm your mouth, but not enough to drive off a bear. Especially not a grizzly.
