Our Mission
To encourage the spiritual, moral, intellectual and physical development of children through education.

Members of the Marine Corps-Law Enforcement Foundation believe that our nation’s most precious resource is its youth. Their educational development is of primary importance in their becoming meaningful members of their families and society.

Caring for children’s future education is a key component of MC-LEF’s mission. Scholarship funds are provided for the children of Marines and Federal Law Enforcement personnel who have died on active duty.

Lend financial assistance to catastrophically wounded Marines in the form of medical equipment and/or humanitarian aid, as well as financial support for mentally or physically disabled children of active duty United States Marines.

Every member of our Board of Directors is committed to our mission. Since its inception in 1995, the Marine Corps-Law Enforcement Foundation has provided over $5 million in scholarships and other humanitarian assistance to over 1,000 recipients.

Faithful to our mission... we continue to make the world a better place for children through education.

MC-LEF is an approved IRS 501(c)3) organization that has been recognized for its excellence and efficiency by the Independent Charities of America. 98% of all donations to MC-LEF go directly to fund our mission.

More Information on the Foundation and Photos from this Year’s Events can be found at www.mc-lefac.org
