The CCHS Support Group would like to thank Liberty Bishop Contractor Services Ltd for sponsoring this conference. Without their generous support this day would not have been possible.

We would also like to thank Dr Martin Samuels, Maggie Williams, David Widdas, Jody Blake, Ryan Middleton and Judy for joining us and leading the discussions.

Thank you to David Widdas and his team for staffing the play room, allowing the parents to participate in the conference whilst the children are having fun in a safe environment.

Finally, thanks to Jane Noyes for her help and advice towards the organisation and planning of the event, and also for supporting us in person.
