Congresswoman Robin Kelly Endorses Lauren Underwood for IL-14

Naperville, IL – Illinois Congresswoman Robin Kelly today endorsed Lauren Underwood, Democratic candidate for Congress in Illinois’s Fourteenth District.

“As a registered nurse, Lauren made it her life’s work to improve the health and welfare of families across Illinois,” Kelly said. “As a public servant in the Obama Administration, she worked hard to keep Illinoisans safe from the threat of infectious disease. Now, more than ever, we need citizen servants to come to Congress to lend skilled hands and valued expertise as we look to create a better future for our communities.”

“In Lauren, the Fourteenth District has an unprecedented opportunity to elect a leader who will be an independent voice and forceful champion for Illinois values. I strongly believe that if you want to step in the direction of progress, Lauren is the right choice,” Kelly said.

“I’m honored by Representative Kelly’s support,” said Underwood. “Together we will stand up for the core values that unify communities across Northern Illinois, promoting economic opportunity, community wellness, and public safety.”

Kelly represents Illinois 2nd congressional district, which includes parts of the city of Chicago, and Cook, Kankakee and Will counties.

Kelly’s endorsement adds to Underwood’s growing list of supporters, which includes U.S. Senator Kirsten Gillibrand and EMILY’s List.
