Prescription for Climate Action

- Start a conversation about climate concerns with friends & family
- Follow & support local advocacy groups; join local climate actions
- Contact your elected Congressional officials at 202-224-3131!
- Spread the word: climate action promotes human health!

WPSR is a 501(c)3 nonprofit organization working to address the gravest threats to human health: The Climate Crisis, Nuclear Weapons, and economic inequity. Join us!
Prescription for climate action

- Talk to family re: climate concerns
- Bike, bus, or carpool to work/school
- Write letter to the editor re: climate
- Eat less meat, & more local veggies
