Prescription for Nuclear Abolition

- start a conversation about nuclear concerns with friends & family
- follow & support local advocacy groups; join local anti-nuke actions
- contact your elected Congressional officials at 202-224-3131!
- spread the word: WA has the most nukes of any U.S. state!
Talk to family & friends re: concerns about nuclear weapons

Get educated: WA is #1 state for nukes and nuclear waste!

Write letter to the editor re: nukes and why we need masks, not missiles
