

FIND A U3A - USER GUIDE

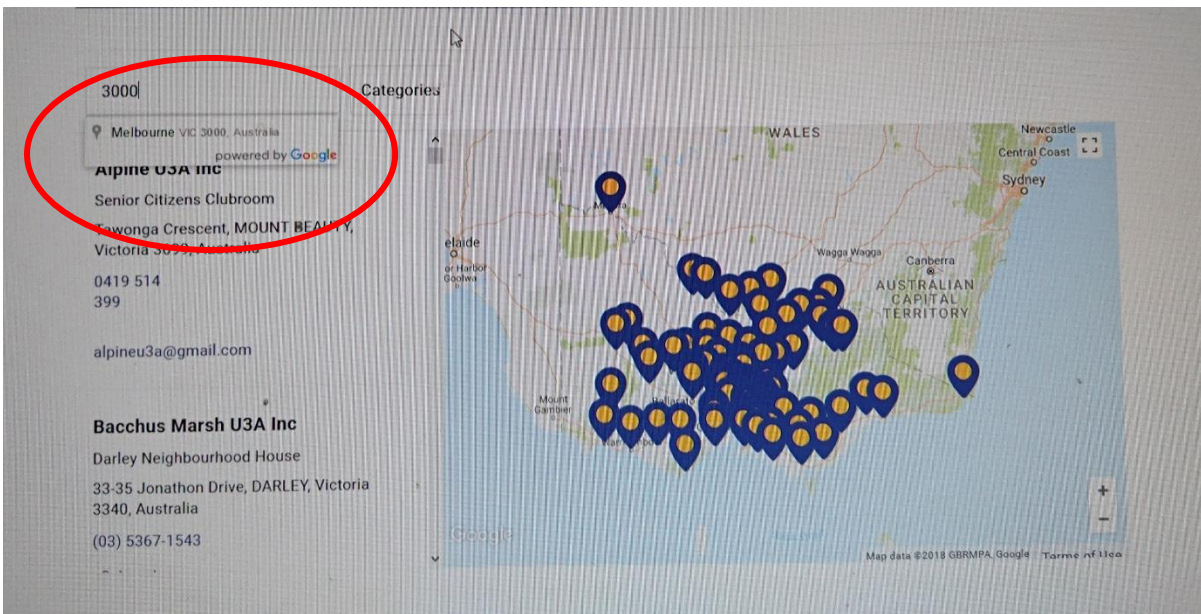

Before you start your search, the list of Victorian U3As is presented alphabetically by the name of the U3A.

There are a few ways you can look up a U3A using the interactive map:

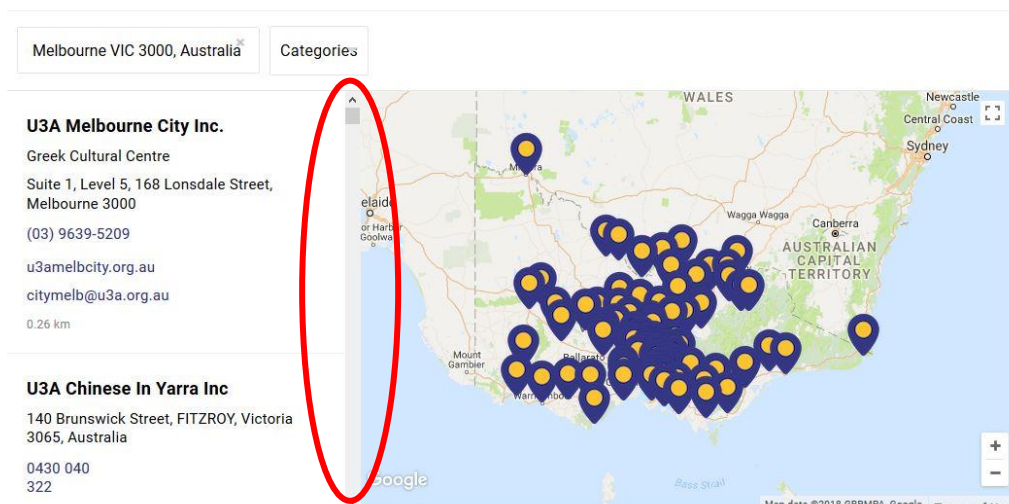

By Postcode, By Suburb, By Area, By map pin

BY POSTCODE:

Enter your postcode to the search area – select the closest Google result and press ENTER:
(in this example we searched for postcode: 3000)

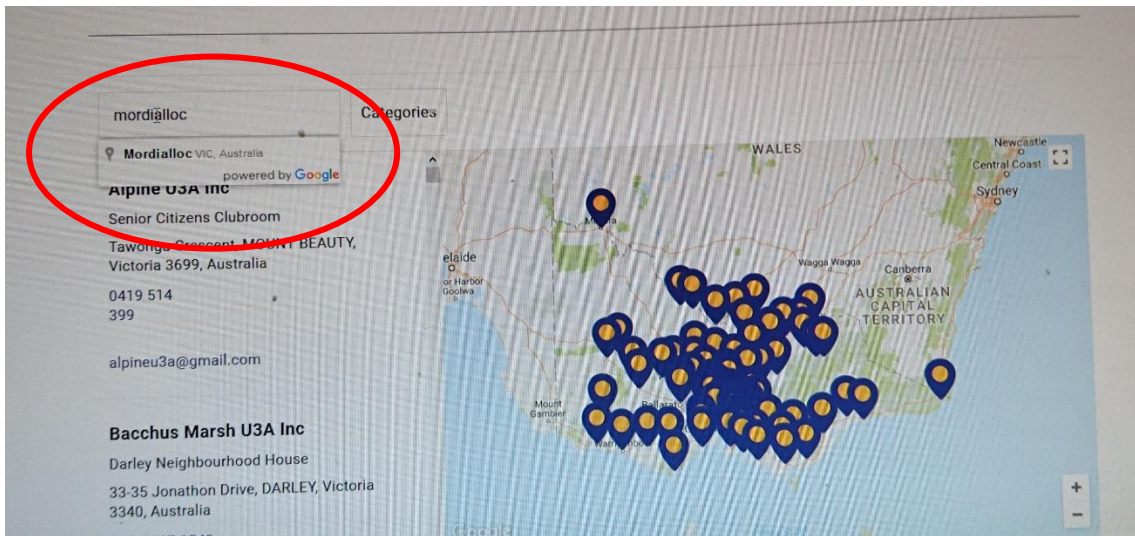

Use the scroll bar to view all listings close to your search result:

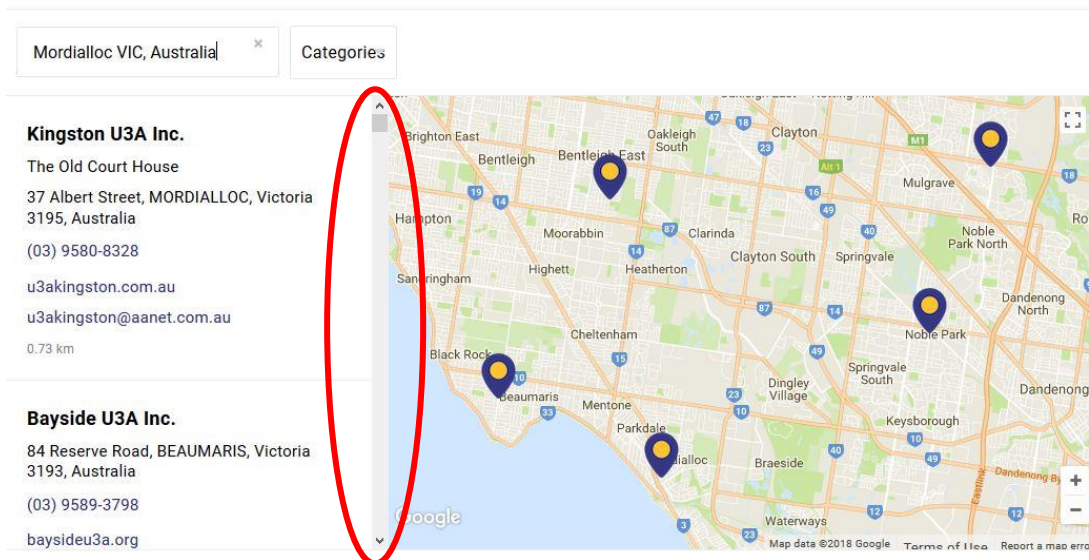

BY SUBURB:

Enter your suburb to the search area – select the closest Google result and press ENTER:
(in this example we searched for Mordialloc)

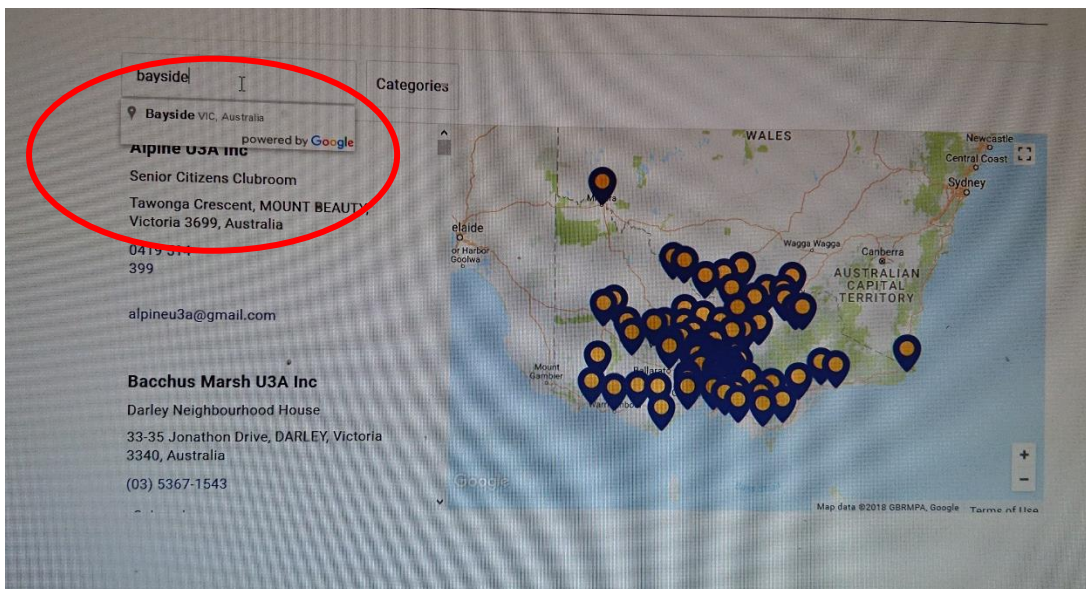

Use the scroll bar to view all listings close to your search result:

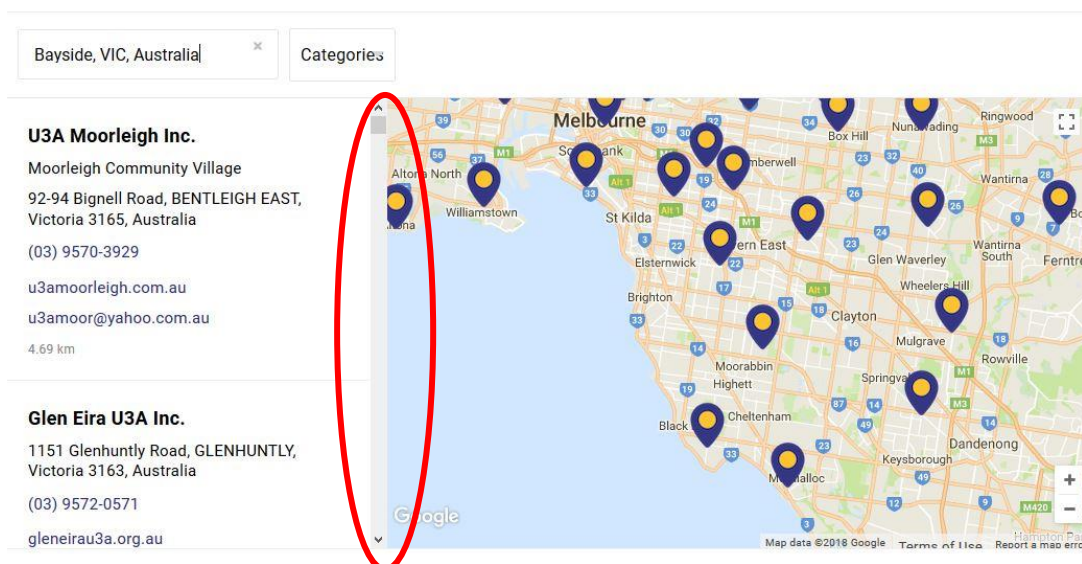

BY AREA:

Enter your area / municipality to the search area – select the closest Google result and press ENTER: (in this example we searched for Bayside)

Use the scroll bar to view all listings close to your search result:

BY MAP PIN:

Use the + and - symbols on the map to zoom in or out until you can see your selected area.
