

REGIONS COMMITTEE

PURPOSE AND GOALS

- To strengthen and increase the effectiveness of the regions structure.
- To provide a mechanism by which U3As and regions can communicate with Network Committee and provide opinion and feedback to Network.
- To provide an opportunity for inter-region communication and support.
- To assist Network to identify where opportunities may exist for new U3As to be established
- To ensure that all Member U3As have a common understanding of the purpose and goals of regions
- To strive to encourage all U3As to be active members of their region
- To help each region to establish a structure that includes:
 - i) Appointment of meeting convenors as appropriate for the region;
 - ii) Maintenance of a Contact List;
 - iii) Meetings formalised with agenda, minutes and action items;
 - iv) Reports given verbally to quarterly Regions Network meetings on matters that have arisen since the last meeting.
- To maintain a regional presence on Network's new website with the addition of items of interest to the broad U3A community;
