Welcome!

Thank you for joining us. The Town of Watertown is hosting this Open House to present the updated Draft Concept Plans for Mount Auburn Street. We encourage you to visit the different stations and speak to the project team and Town staff.

Stations 1 through 3 include information about how design choices were made based on public input. At Stations 4 through 7, you can view the updated Draft Concept Plans and provide input on where you think the following amenities should be placed:

- **Green dot** = tree
- **Red dot** = bench
- **Yellow dot** = bike rack
