EDUCATION

Brown University	Providence, RI May 2018	Master in Public Affairs (MPA), Global Policy
Brown University	Providence, RI May 2017	Master in Public Health (MPH), Global Health
Ithaca College	Ithaca, NY May 2009	Bachelor in Science, International Health Education

Globally focused and interested in health, development, and universal design. Extracurricularly oriented: TEDx Speaker, Better World by Design (BWxD) workshop leader, B-Lab incubatee, Campus Advisory Accessibility Committee member, BIARI participant, BDW Maker, Hack Health Art Design and BSA Inspire Grant Awardee.

EXPERIENCE

SpineHope, Global Spine Outreach & Butterfly Foundation Feb 2009 – Jan 2015
Executive Director (Last Position) *Global Placements*

Assisted and translated in clinic and operating rooms on medical trips for two years before happily summoned into an executive role. Directed projects across several closely integrated nonprofits working closely together, often sharing sites and patients. Coordinated logistical, and clinical programs in seven countries around the globe: Nicaragua, Costa Rica, Vietnam, China, Colombia, the Dominican Republic & Poland. Handled inventory and global shipping of biologics, medical equipment and implants. Formulated strategic nonprofit development. Spearheaded fundraising and grant writing. Pioneered data collection protocols and clinical research on over 300 patients. Managed teams up to 32 professionals during missions. Initiated new global and domestic partnerships. Recruited medical teams. Integrated training and conference participation with medical device companies.

Open Doors Medical Center June 2010 – May 2011
Patient Advocate *Ossining, New York*

Collaborated with providers to administer one-on-one educational sessions with patients of chronic diseases, assessed patient eligibility for state-funded cancer screening programs and social services, headed bilingual prenatal classes, offered in-service trainings to fellow staff, and conducted onsite clinical research.

Ithaca College & John's Hopkins Sep 2006 – Aug 2011
Dean of Residential Life (Last Position) *Global Placements*

Served as a residential assistant (RA) during undergrad before joining Johns Hopkins's Center for Talented Youth (CTY) summer programs for three years in domestic sites. Promoted to Senior RA and then to Dean of Residential Life to launch international sites in Spain & Hong Kong. Supervised a team of 13, led staff meetings and handled all logistical needs for camp residential and recreational operations, staff, and students.

Hospital for Special Surgery June 2009 – May 2010
Research Associate *New York, New York*

Assembled longitudinal data for research analyzing quality of life outcomes of post-arthroplasty surgery for one the largest cohorts in the nation. Formulated new data entry and storing methods that yielded 50% improvement in productivity. Authored first Spanish translated version of our 22-page survey tool.
