There is no need for purchasing your Natural Himalayan Salt Lamp by LevVoit. At LevVoit, we believe your living space plays a key role in developing a happier and healthier lifestyle. Himalayan Salt Lamps create a soothing environment by emitting warm lighting and releasing negative ions into the air. Along with their health benefits, a LevVoit Himalayan Salt Lamp adds style and an artisan touch to your home. LevVoit Himalayan Salt Lamps are the highest-quality on the market and we are proud to offer unique and inspiring designs.

IMPORTANT: Please read, understand, and comply with all of the instructions provided in this manual before using the device. Failure to comply with the instructions given in this manual and/or using the device in ways other than the ones mentioned in this manual may result in serious injury and/or damage to the product.

Safety Use & Care

- Keep out of reach of children.
- The lamp is for indoor use only. Avoid exposure to high-temperature sources, direct sunlight, and moisture.
- DO NOT strike or drop the lamp.
- To avoid damage, move and handle with care.
- DO NOT wash with water or detergents. Do not immerse in any form of liquid.
- DO NOT place the salt lamp near any electrical appliances. The natural evaporation may cause humidity or damage to other appliances.
- Due to the nature of natural salt, each crystal varies in color, shape, size, and weight.
- Do not touch the surface to which the lamp is placed; place a suction creaser under the lamp's base.
- If the salt crystal surface becomes moist, set the lamp to high and leave the lamp on to allow the salt crystal to dry.
- DO NOT replace the bulb while the salt crystal is damp.

Features & Specifications

- Input: AC 120V/60Hz
- Light Color: Orange
- Power: Max 25W
- Length of Power Cord: 2 m

NOTE:
- Recommended for a room size of equal or larger than 32 square feet (3 square meters).
- Due to the nature of natural salt, each crystal varies in color, shape, size, and weight.
1. Year Limit Warranty

Product & Policy
Limited warranty applies to products of the highest quality in materials, craftsmanship and service for a maximum of 1 year, effective from the date of purchase. Warranty rights may vary between product categories. For specific warranty terms, please refer to the product specific Limited Warranty Operation Manual.

Unless the Limited warranty, Leviton shall replace or refund any part found to be defective due to manufacturer's flaws. This warranty extends only to purchasers and does not extend to any part that has been used for commercial rental use, or any other use where the product is not intended for. There are no warranties otherwise than that expressly set forth with each product.

This warranty is non-transferable. Leviton is not responsible for any way for any damages, losses or Incidences caused by either failure of the products, failures, or any other Incidence not in compliance with the user manual or any additional use, see warnings included in product packaging and manual.

Leviton shall not be liable to the Buyer for any damage caused by the use of the product other than for its intended use or as instructed above and in the user manual. Some states do not allow the exclusion or limitation of incidental or consequential damages so the foregoing disclaimer may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

Should your product prove defective within the specified warranty period, simply return the defective part or unit in its original packaging with the following:

1. A copy of original invoice (2nd order confirmation)

ALL EXPRESS AND IMPLIED WARRANTIES, INCLUDING THE WARRANTIES OF MERCHANTABILITY, ARE LIMITED TO THE PERIOD OF THE LIMITED WARRANTY.

Exceptions & Disclaimers
- Damage due to misuse, abuse, alteration, misuse, tampering or vandalism.
- Normal or reasonable maintenance.
- Damage or return to factory.
- Unforeseen use by children under 18 years of age.

2. Cleaning & Maintenance

- Regularly dust off the salt crystal with a dry clean cloth.
- Do not wash or clean with water or liquid detergents.
- DO NOT USE for a long period of time, store the lamp in a cool and dry environment, covering the crystal with a plastic bag.
- The lamp does not naturally restore in humid environments. If used in a humid environment, keep the lamp away from water.
- The lamp may naturally dry out for several hours if it is naturally dry out.
- If the salt crystal becomes moist, gently pat down the crystal surface with a dry cleaning cloth.

3. Package Contents

- 1 Himalayan Salt Lamp
- 1 x 15 Watt Bulb (do not plug into bulb)
- 1 x User Manual

4. Customer Support

- Should you encounter any issues or have any questions regarding your new product, feel free to contact our help Customer support team.
- We’re here for you.

5. Operation

- Place the salt lamp on a flat, flat surface.
- Plug the power cord into a powered socket.
- Tap the lighting control button to turn on the lamp.
- Tap and hold the lighting control button to adjust the lamp brightness. Release at the desired brightness level.
- Tap and hold the lighting control button once again to turn off the lamp.

6. Light Bulb Replacement

- NOTE: It is best to complete this process sealed at a table or nearby surface to place the small screws.
- Unplug the salt lamp’s power cord.
- Carefully flip over the lamp, supporting the lamp by the crystal.
- With a small screwdriver, remove the two base screws, rotating counter-clockwise.
- DO NOT remove the center screw.
- Gently slide off the lamp holder while holding the lamp (inclusive screw or side screw).
- Carefully slide out the salt crystal on a flat and stable surface and remove the bulb from the base socket, gently rotating it counterclockwise.
- Install the new bulb, gently rotating it clockwise.
- Gently slide the lamp holder back into the crystal, make sure the outer screws and side screws are aligned.
- With a small screwdriver, reinsert the screws in each of the two outer dots, making sure they are tightly screwed in.
- Place the lamp on a flat surface right side up, holding your hand under the base until placed under the table so as to avoid the possibility of losing any loose screws.
