# PACKAGE CONTENTS

1 x Water Filter Pitcher
1 x Filter Cartridge
1 x User Manual
SAFETY INFORMATION

Follow all safety guidelines. Read all instructions before using.

- **Do not** use until all water has been filtered, to avoid pouring out unfiltered water.
- **Only** filter tap water. This pitcher is not designed to filter water from other sources (such as river water).
- The filter cartridge may become clogged and may not work correctly if filtering liquids other than tap water.
- **Do not** filter hot water (over 95°F / 35°C). This may damage the filter and may release contaminants.
- Use filtered water within 1-2 days. Bacteria may grow in the water if left longer.
- Keep the pitcher closed, and store in the refrigerator when not using.
- **Do not** expose the pitcher to direct sunlight.
GETTING TO KNOW YOUR PITCHER

Your water pitcher filters out chlorine and impurities in your water to improve taste and smell, reduce water hardness, and protect your health. The pitcher can hold up to 2.5 liters (10 US cups). All pitcher materials are food-grade plastic.

1. Lid
2. Water Inlet
3. Filter Change Indicator
4. Filter Chamber
5. Water Outlet
6. Pitcher
7. Handle
8. Filter Cartridge
9. Filter Restrictor Caps
GETTING STARTED

1. Remove all packaging from the water pitcher and filter cartridge.

2. Remove the restrictor caps from the bottom of the filter. [Figure 1.1]

3. Soak the filter cartridge in clean tap water (submerged completely) for 15 minutes.

   NOTE: There may be carbon dust in the water while rinsing or soaking the filter. This is normal.

4. Rinse the filter cartridge thoroughly for 10 seconds under running water.

5. Replace the restrictor caps on the bottom of the filter.

Restrictor Cap Settings

- Place the restrictor cap in the “+” position if you want water to filter faster, or in the “−” position if you want water to filter more thoroughly. [Figure 1.2]
GETTING STARTED (CONT.)

- You can remove the caps completely if you want water to filter as fast as possible.

Rubber Gasket

- Make sure the rubber gasket is correctly in place on the filter cartridge. If the rubber gasket has come loose, press into place, making sure the ridge is facing up. [Figure 1.3]

6. Place the filter cartridge into the filter chamber. Press the cartridge into place as firmly as possible to prevent leaks. [Figure 1.4]

7. Fill the pitcher with cold tap water. Discard the filtered water. Refill and discard the water two more times.

8. Reset the filter indicator (see Filter Change Indicator, page 10). Your filter is ready to use.

USING YOUR PITCHER

1. Fill the filter chamber with cold tap water.

2. Allow all water to filter into the pitcher before pouring.
FILTER DETAILS

1. Upper Micro Net
   • Removes particles suspended in the water, such as sand, rust, sludge, and organic matter.

2. Silver Activated Carbon
   • Uses high-quality antibacterial activated carbon with silver ions for extremely effective filtration.
   • Prevents bacteria from growing in the filter, and eliminates bacteria in the water.
   • Removes up to 98% of chlorine.
   • Removes pesticides (including Endrin) and residual pollutants.
   • Improves taste of water.

3. Ion-Exchange Resin
   • Removes heavy metals (such as lead, cadmium, mercury, copper, and aluminum).
   • Removes limescale.
   • Does not remove beneficial minerals, such as calcium and magnesium.

4. Lower Micro Net
   • Final filtration removes any remaining unwanted particles in the water.
FILTER CHANGE INDICATOR

1. Press and hold START for 3 seconds or until the display turns on.
2. Use the indicator as a reminder to replace the filters. The number at the top shows the days remaining until you need to change the filter, and the 4 bars show the remaining percentage of filter life (100%, 75%, 50%, and 25%).
3. Replace the filter when the number of days reads “0”. All display bars will reappear and blink.
4. To reset the filter timer, press START firmly for 8 seconds. The indicator will stop blinking, and will reset. Remember to reset the indicator after replacing the filter.
5. To pause the filter timer and hide the filter indicator display, press and hold START for 3 seconds. Release the START button. The display will go blank and the timer will be paused.

NOTE: Pause the filter timer when you won’t be using your water pitcher for a long period of time. Remember to resume the filter timer when you start using your water pitcher again.
FILTER CHANGE INDICATOR (CONT.)

6. To resume the filter timer and show the display, press and hold START again for 3 seconds.

NOTE:
• The filter cartridge cannot be cleaned, only replaced.
• Only use Levoit LV110WP-RF replacement filter cartridges for this pitcher.
• You can purchase new filter cartridges from Amazon.com by searching for “B07JWGTSPR”. You can also scan the QR code below.

CARE & MAINTENANCE

• Clean the pitcher regularly.
• Wash with mild detergent and a soft cloth. Do not use abrasive cleaners.
• If necessary, wipe the timer with a wet cloth.
• Rinse thoroughly.
• When storing the pitcher for a long period of time, remove the filter from the pitcher and store separately.

NOTE: If water takes an unusually long time to filter, the filter cartridge may have air trapped in it. Take the filter out and shake it, then place the filter back into the pitcher.
TERMS & POLICY

Levoit warrants all products to be of the highest quality in material, craftsmanship, and service, effective from the date of purchase to the end of the warranty period. Levoit will replace any product found to be defective due to manufacturer flaws based on eligibility. Refunds are available within the first 30 days of purchase. Refunds are only available to the original purchaser of the product. This warranty extends only to personal use and does not extend to any product that has been used for commercial, rental, or any other use in which the product is not intended for. There are no warranties other than the warranties expressly set forth with each product.

This warranty is non-transferrable. Levoit is not responsible in any way for any damages, losses, or inconveniences caused by equipment failure by user negligence, abuse, or use noncompliant with the user manual or any additional safety, use, or warnings included in the product packaging and manual.

This warranty does not apply to the following:
- Damage due to abuse, accident, alteration, misuse, tampering, or vandalism.
- Improper or inadequate maintenance.
- Damage in return transit.
- Unsupervised use by children under 18 years of age.

Levoit and its subsidiaries assume no liability for damage caused by the use of the product other than for its intended use or as instructed in the user manual. Some states do not allow this exclusion or limitation of incidental or consequential losses so the foregoing disclaimer may not apply to you. This warranty gives you specific legal rights and you may also have other rights which may vary from state to state.
ALL EXPRESSED AND IMPLIED WARRANTIES, INCLUDING THE WARRANTY OF MERCHANTABILITY, ARE LIMITED TO THE PERIOD OF THE LIMITED WARRANTY.

Additional 1-Year Warranty
You can extend your 1-year warranty by an additional year. Log onto www.levoit.com/warranty and enter your order number (for example, from Amazon or Houzz) to register your new product for the extended warranty.

If you are unable to provide the order number for your product, please type a short note in the order number field along with the date you received your product.

Defective Products & Returns
If your product proves defective within the specified warranty period, please contact Customer Support via support@levoit.com with your order number. DO NOT dispose of your product before contacting us. Once Customer Support has approved your request, please return the unit with a copy of the invoice or your order number.

CUSTOMER SUPPORT
If you encounter any issues or have any questions regarding your new product, feel free to contact our helpful Customer Support Team. Your satisfaction is our goal!
