Peace can be taught ANYWHERE!

(Think: the park, our rec center, schools, library, and churches)
And to everyone – young and old!
Let’s use our Pocket Change to focus on peace to bring out the best in each other.
And have FUN while we do it!
We can use peace to bring neighbors together to build stronger bonds.
We’re next to be all in and all together for peace…
But... We need some Pocket Change!
