From the Desk of the Show Chair

Hello Car Enthusiasts,

July 2022

Welcome to a beautiful night on the streets of Doylestown! This year we are grateful to be back to a full complement of cars, sponsors, and vendors. The Car Show takes a lot of planning and coordination, but really, it is worth it all because this show is our gift to you, the car owners, and the wonderful residents of the Central Bucks Community. We hope that you have a wonderful time eating great food from our local restaurants and vendors, shopping at our stores and seeing the amazing diversity of cars in our show.

I often hear, what is Rotary and why do they host a car show? Well, Rotary is a service club that includes an amazing and diverse group of people who are looking to give back to the local community with their time, talent, and treasure. We serve the community through our numerous events, The Doylestown at Dusk Car Show being one of them. So far in 2022, we have distributed \$50,000 to people in need both here and abroad while supporting international Rotary initiatives and a scholarship program for our local Central Bucks students. All the money we raise goes right back to a good cause, primarily to agencies in our community that support the most vulnerable among us.

Doylestown Rotary is a family consisting of 84 amazing individuals who are looking to fulfill our theme for 2022 "Serve to Change Lives". We are always looking for like-minded individuals to join us in putting Service Above Self. If that resonates with you, stop by the Rotary tent at show center for more information.

Feel free to visit us at doylestownrotary.org or www.facebook.com/doylestownrotaryclub/

We thank you for joining us tonight, your continued support is crucial to our work to change lives.

Cheers,

Helen

Throughout our printed materials and incorporated in our logo, you will note a red cardinal in remembrance of Show Founder Bruce Rutherford.

Cardinals have long symbolized a loved one who has passed away. Some believe that the bird is their loved one, returning for a visit; others see the cardinal as a reminder of their dear departed one. Whatever your outlook, every time you see a cardinal you can treasure once again the memories of someone who has gone from this world into the next. So as we remember Bruce, we hope that each time you see the cardinal on our material or in real life, you are filled with warm memories of those you love.

Bruce was a true gentlemen.

I don't think I have ever known a more kind and giving person. Bruce generously gave his time to make our community a better place. So glad the show lives on. I miss you my friend.

Bruce was a one of a kind!!! Always welcomed you with a smile and worked so hard in all his endeavors. He will truly be missed. You could always count on Bruce for a good story or a joke.

I remember volunteering for the first auto show in 2002 after meeting Bruce. He taught me how to run the registration tent and also how to run the mini bike around the bases at war memorial field. Rain, heat wave, or shine Bruce made sure the show went on.

Worked with Bruce years ago I'm guessing 2004, I think he was just trying to create this event. Definitely one of the better promoters I've worked with. So sorry for your loss.

Remembering Bruce Rutherford

What a gaping hole Bruce left in this world! It has been incredible to see how many people he touched. Bruce had a way of making you think that you were the only one that mattered and that the two of you had a secret connection and a special bond. Since Bruce's passing it has been amazing to see how many people had a level of cherished interaction with him. Bruce had an incredible ability to connect with you and make you feel like he was on your side, because he was. Bruce will never be replaced but always will be in our hearts!

~

I went to school with Bruce junior high and high school. He first got my attention in homeroom where he was always drawing customized van's for himself. He was truly a great guy and friend, we stayed in touch over the years whenever I had the free time I would pop in his camera store. He will be truly missed.

~

I'm still trying to get over the fact that I will never get a chance to speak with him again. He was a dear friend for over 35 years and I miss him.

~

Loving, kind, funny, professional.

~

Used to love catching up with Bruce. He always had a funny story or three. I am so sorry that his last car show was virtual during the pandemic. He always did such an amazing job!

~

The "Rutherford Award" will mean even more this year!

~

Bruce was one of my dad's good friends. Summer of 2019 I entered our 69 GTX which ended up winning a top 40 prize, Bruce had gotten me an upgraded parking spot on the fly that day, and when I got up to accept the award he said, "I had nothin to do with it" with a big grin. Just the cutest most genuine guy around.

~

Bruce was always such a kind, helpful and generous man. We really did lose him too early! Will be surely missed!

~

Awww, Bruce Rutherford! What a wonderful man, born and raised on the outskirts of D'Town from a family with deep roots here. He should have been our Mayor, he cared so much about our town and it's people. The car show is just one of his many contributions. Rest in Peace my friend.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster...

FIRST The development of acquaintance as an opportunity for service;

SECOND High ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

What would it take TO CHANGE THE WORLD?

Rotary International is the world's first service club organization,
WITH MORE THAN 1.4 MILLION MEMBERS IN 46,000 CLUBS WORLDWIDE.

Rotary club members are volunteers who work locally, regionally, and internationally to combat hunger, improve health and sanitation, provide education and job training, promote peace, and eradicate polio

under the motto **SERVICE ABOVE SELF.**

Declaration of Rotarians in Business and Professions

As a Rotarian engaged in a business or profession, I am expected to:

- 1 Consider my vocation to be another opportunity to serve;
- 2 Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of my community;
- 3 Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
- 4 Be fair to my employer, employees, associates, competitors, customers, the public, and all those with whom I have a business or professional relationship;
- 5 Recognize the honor and respect due to all occupations which are useful to society;
- 6 Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community;
- 7 Adhere to honesty in my advertising and in all representations to the public concerning my business or profession;
- 8 Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

What is the “FOUR WAY TEST”?

From the earliest days of the organization, Rotarians were concerned with promoting high ethical standards in their professional lives. One of the world’s most widely printed and quoted statements of business ethics is “The Four Way Test”, created in 1932 by Rotarian Herbert J. Taylor when he was asked to take charge of a company that was facing bankruptcy. This 24-word test for employees to follow in their business and professional lives became the guide for sales, production, advertising, and all relations with dealers and customers. The survival of the company is credited to this simple philosophy. Adopted by Rotary in 1943, The Four Way Test has been translated into more than one hundred languages and published in thousands of ways. It asks the following four questions:

OF THE THINGS WE THINK, SAY OR DO...

- 1. Is it the Truth?**
- 2. Is it Fair to All Concerned?**
- 3. Will it Build Goodwill and Better Friendships?**
- 4. Will it be Beneficial to All Concerned?**

For over sixty years Rotarians have been using The Four Way Test as a practical yardstick in our business, community, and personal affairs. You will note The Test does not provide answers. It asks questions which the user must answer. Thousands of Rotarians have used it and shared it with others. Millions of copies have been distributed to students and business associates. The Test has been carved into granite monuments, displayed on billboards, written into labor contracts, printed on wrapping paper and umbrellas and has been the theme of countless awards, essay and speech contests.

The Four Way Test is the key to being a Rotarian. It reminds us that we practice high ethical standards in our everyday lives. We believe that if we can promote The Four Way Test to our community and the younger generation, it will benefit all of us.

SHELTERBOX AND ROTARY

Right now, around 85 million people around the world have been displaced by natural disaster and conflict. Shelter Box and Rotary are working to change this.

By providing emergency shelter and tools for displaced families, we are transforming disaster into hope.

Each ShelterBox is tailored to a disaster but typically contains a disaster relief tent for an extended family, blankets, water storage and purification equipment, cooking utensils, a stove, a basic tool kit, a children's activity pack and other vital items.

The Rotary Club of Doylestown members support ShelterBox through a weekly raffle which enables our Club to provide a ShelterBox and supplies to two families annually. This year in 2022 we were able to raise over \$9,000 to support ShelterBox during the Ukrainian Refugee Crisis. We are striving for a world where no family is left without shelter.

Each green ShelterBox is tailored to a disaster but typically contains a disaster relief tent for an extended family, blankets, water storage and purification equipment, cooking utensils, a stove, a basic tool kit, a children's activity pack and other vital items. <http://www.shelterboxusa.org/>

Rotary and Polio

ROTARY & GATES FOUNDATION CELEBRATE 10 YEARS OF WORKING TOGETHER TO END POLIO

Since 2013, the Gates Foundation has matched every \$1 Rotary commits to polio eradication 2-to-1.

THE DISEASE is a highly infectious and most commonly affects children under the age of five. It is most known as poliovirus. It is spread person-to-person, typically through contaminated water. It can attack the nervous system, and in some instances, lead to paralysis. Although there is no cure, there is a safe and effective vaccine – one which Rotary and our partners use to immunize over 2.5 billion children worldwide.

Since we started the fight against polio, the number of polio cases has been reduced by 99.9 percent and more than 2.5 billion children received the vaccine. There are fewer polio cases today than ever before, but we will not stop until we reach zero. If polio is not eradicated, hundreds of thousands of children could be paralyzed. Global health care costs would rise dramatically, and many children's quality of life would be drastically diminished.

Join us in the fight to end polio and help us save lives and give a child a chance at a prosperous future.
