International and Out-of-State Students: Requirements and Policies for Summer School 2020

English Proficiency Required

A Hanahau'oli Summer School experience can be a formative experience translating into new ambitions and life-long friendships. Due to the short duration of summer school, we cannot offer an ESL (English as a Second Language) or ELL (English Language Learner) program. Therefore, all international students entering Junior Kindergarten through grade five must have appropriate grade level English proficiency. Appropriate grade level English proficiency is defined as the ability to understand and communicate (listen, speak, read, write) at the appropriate entering grade level. After all, we want all students to have an emotionally and physically safe and enriching summer experience.

International families will be asked about their child's current school and grade level, language(s) spoken, English proficiency, and any siblings that may be interested in attending Hanahau'oli Summer School. Please note our minimum age requirements for entry.

Should a student demonstrate difficulty communicating or adjusting to the Summer School routines, the School, in its sole discretion, reserves the right to disenroll the student without any refund of tuition.

Health Form Required - PRIOR to student registration for summer classes

Students who are not Hawaii residents (this includes International as well as continental U.S. residents), homeschooled students and Hawaii residents who are not currently residing in Hawaii, must submit a Hanahau'oli Summer School Health Form PRIOR TO registering any child for our Summer School. The Hanahau'oli Summer School Health Form PDF can be emailed to Lisa Taylor in the Summer Programs Office starting February, 2020.

A registration date will be assigned to you via email once the form is received and approved.

The Health Form includes current data on child immunizations, Tuberculosis (TB) clearance, and physical examination results.

The Health Form must be completed in full by a U.S. licensed physician and meet the Hawaii
Department of Health requirements.

The Health Form must be dated within **one year** prior to June 15, 2020.

Immunizations are required for all students entering preschool (also called Junior-Kindergarten or JK) and Kindergarten, and for those students entering school in Hawaii for the first time, regardless of age.

**International Residents: Passport Required**

- A PDF copy of the student’s non-expired passport must be emailed to: ltaylor@hanahauoli.org

**Local Contact Information Required**

- A United States phone number and a Hawaii address for the primary guardians
• A United States phone number and a Hawaii address for an emergency contact
• Primary guardians and/or emergency contacts are required to be adults who can be reached during the school day. These people must have access to a car or transportation in order to pick up child if the school notifies you to do so.

Thank you for your cooperation with these Summer School requirements and policies. They are in place in order to keep our program fun, safe, and beneficial for all children and their family members.

Summer 2020 Family Orientation Day

Following completion and acceptance of your child’s summer registration, we encourage you and your child/ren to visit our campus for the Family Orientation Day on Friday June 12, 2020 from 3:00 - 4:30 p.m. The visit will allow students and families to learn about the campus and summer school routines and procedures. Summer School teachers will be in their classrooms setting up for the program and you may briefly meet them at this time.
