Contestants playing with bands and entering individual categories will play while their band is on stage. Other individuals will be placed after and between band performances. Rule #22 - Preregistered bands and individuals will already have their play positions. Band not preregistered will draw for play for remaining positions at 12:30 PM the day of the competition. All registration must be turned in by 12 PM the day of the competition. You will be expected to be ready and in line prior to your performance. A short soundcheck will be allowed for each band. Performers not being ready will result in a disqualification.

** = For official use only; applicants may leave blank.*

Individuals should also fill out an individual form, which can be supplied upon request.

All forms can be mailed or emailed to Josh Grigsby at joshgrigsby841@gmail.com, or can be printed out and brought in the day of the contest.

Forms will be supplied the day of the competition, and are also available on vafolkmusic.org.
