I'm focused on creating powerful interactions through design.

Alabama State University  
Bachelor of Arts  
**Graphic Design**  
December 2015

**February 2017 - December 2017**

**Junior Graphic Designer - The Patent Pump Agency  
Atlanta , GA**

As a designer I lead the efforts into bringing various businesses and startups into the public . In addition we acted as Eden BodyWorks in house agency creating web landing pages , social media assets, as well as product labels. Through our success my initial role grew into art direction for product launches and labels.

**March 2016 - July 2017**

**Art Director / Graphic Designer - The Soul Series  
Montgomery , AL**

A two year passion project grew into one of Alabama's largest art shows and concerts. As art director, I lead the charge in maintaining the consistency and overall voice of the brand. Through a constant focus on growth and consistency grew a two person operation into a determined group of individuals garnering sponsorships from Buffalo Rock to sold out venues.

**May 2016 - July 2016**

**Graphic Designer ( Contract ) - The National Beer Mile  
Atlanta , GA**

I created and designed company wide collateral such as t-shirts, stickers, and print materials marketed and sold at national events. Whilst working alongside the president of NBM to maintain brand presence and voice across traditional and digital platforms.
