Steaks, Burgers & Pies served all day

CaféBar 1807 has an almost unfair advantage. We truly are owned by an Award Winning Family Butchers (David Stein's) with over 40 years of experience our beef is the very best Scotland has to offer, we have worked with our local farmers for all of those 40 years, a unique situation which allows us to use the very highest quality produce but also provide great value for money.

Our cattle are reared locally by Gavin Scott at Gateside Farm. Our burgers are hand made from 100% steak, the haggis and sausages are freshly made in our shops and our steaks are minimum 21 day aged. Of course let's not take anything away from the rest of our simple but flavoursome menu.

Take a look and see what takes your fancy.
