

Get What's Mine

Well I've crawled when I should have been running
And I've been way too long bidding my time
I don't care if it ain't too becoming
Come hell or high water
I'm gonna get what's mine

I ain't lookin' for to rob anybody
I ain't thinking of committing any crime
Baby I'm just a man in a hurry
Come hell or high water
I'm gonna get what's mine

I'm tired of chasing someone else's dream
Gotta get my freedom
Gotta do a little living
Find out what the word really means

Well I don't wanna die on this the mountain
Ain't nobody gonna build me a shrine
So I gotta fight fire with lightning
Come hell or high water
I'm gonna get what's mine

I'm tired of chasing someone else's dream
Gotta get my freedom
Gotta do a little living
Find out what the word really means

You can stone me and call me a sinner
But I'll be damned if I'm waiting in line
It's getting late and the lights getting dimmer
But come hell or high water
I'm gonna get what's mine

I'm tired of chasing someone else's dream
Gonna get my freedom
Gonna do a little living
Find out what the word really means
