SCIENCE STUDENTS’ COUNCIL

2021-22

Student Group Grants Package
About Science Students’ Council

Striving to help each Western University science undergraduate achieve the best student experience possible. Science Students’ Council is composed of 67 members of the science community, including elected representatives that serve as your voice within our supporting Faculties, and appointed commissioners responsible for improving your undergraduate experience. We are your link to the University Students’ Council, the University Senate and the various departments within the Faculty of Science and the Schulich School of Medicine and Dentistry.
Student Group Grants

The Student Group Grants (SGG) is an initiative through the Science Students’ Council which allows students in the Faculty of Science and the Schulich School of Medicine and Dentistry to apply for funding for various events and initiatives. It serves to encourage students to execute ideas they believe will enhance Western Science by providing financial aid.

The proposals are reviewed by the Science Students’ Council Student Group Grants Committee. The timeline for application review is dependent on the availability of the SGG Committee, dates will be posted on a rolling basis.

Important Points

- Receipts are required for full funding! A certain portion of the funding will be provided once the application is approved, and the remainder will be issued once all receipts are submitted.

- Only students enrolled in the Faculty of Science or Schulich may apply.

- It is possible to receive PARTIAL funding.
Application

APPLICANT INFORMATION

Name: 

UWO Email: 

Department: 

Phone Number: 

Amount of money being applied for: 

ORGANIZATION INFORMATION (Please do not fill this out if you are applying for an individual grant)

Name of organization: 

Purpose of the organization: 

What does the organization do for science students at large specifically?

Please identify the members of the organizing committee and their affiliation:
EVENT/INITIATIVE INFORMATION

Please provide a brief description (250 words) of the event/initiative (rationale for the funding request):

What do you hope to achieve with this event/initiative?

How will the event/initiative benefit science students-at-large and/or Western Science?

Where are you planning to host this event/initiative?

Please briefly outline the proposed event/initiative agenda:

Please identify any speakers invited and their affiliation:

ATTENDANCE/IMPACT

How many Western Science undergraduate/graduate students do you anticipate in attendance/to be affected by the event/initiative?

How many other Western-affiliated participants do you anticipate in attendance/to be affected by the event/initiative?
Application
