**SECTION A**

Students in FRENCH IMMERSION PROGRAM should take the following courses:

- □ Français 061202
- □ Carrière et Vie 162231 (Career Development)
- □ English 941201
- □ Mathematics 591201
- □ Science 641206
- □ Healthy Living 121200 OR
  - □ Alternate Health NLESDALT120 (Healthy Living 121200 – Yoga)
  - □ Please choose FOUR (4) more credits from the courses listed below in Section B.

Please note that based on programming needs some students may choose courses from both Academic and General streams e.g. Academic English 1201 and General Mathematics 1202. If a student is recommended for Math 1202, then it is highly advisable that the student sign up for General Science 2200 and vice versa. Once a student chooses ONE General course, then that student no longer meets the requirements for an Academic Graduation Standing and this may impact admission into some post-secondary institutions (e.g. Memorial University)

Students in the ENGLISH PROGRAM should take the following courses:

- □ Academic English 941201
- □ Academic Mathematics 591201
- □ Academic Science 641206
- □ Social Studies 251201
- □ Healthy Living 121200 OR □ Alternate Health NLESDALT120 (Healthy Living 121200 – Yoga) (for ALL students)
- □ Career Development 162201 (for ALL students)
- □ Please choose the remaining credits from the courses listed below in Section B.

**SECTION B**
