Tennessee in the southeastern United States, having been established in 1935. The Museum's permanent attractions take the traveler back in time to the days when music was king. Tennessee is often referred to as the “Music City” due to its rich musical heritage. The Museum is a testament to the many famous musicians who have called Tennessee home. The Museum features exhibits dedicated to popular music genres including country, rock and roll, and blues. Visitors can explore exhibits that honor the lives and legacies of some of Tennessee’s most renowned musicians, past and present.

The Museum's permanent exhibits include the “Music History” exhibit, which chronicles the history of music in Tennessee from the early 1900s to the present day. Visitors can see exhibits on the history of the blues, country music, jazz, and rock and roll. The “Music Makers” exhibit features displays of instruments and memorabilia from some of Tennessee’s most famous musicians. The “Music Makers” exhibit includes displays of instruments and memorabilia from some of Tennessee’s most famous musicians, including Johnny Cash, Dolly Parton, and Elvis Presley.

In addition to the permanent exhibits, the Museum also offers special exhibitions and events throughout the year. These events range from concerts and lectures to film screenings and book signings. The Museum also hosts a series of pop-up dinners, which feature creative dishes inspired by famous musicians and their music.

The Museum is located in Nashville, which is also known as the “Music City.” Nashville is a city located in the central part of the state and is home to many of Tennessee’s most famous musicians, including Dolly Parton, Garth Brooks, and Reba McEntire. The city is known for its rich musical heritage and is home to many music-related museums and venues, including the Country Music Hall of Fame and Museum. The Museum is a great place to learn about the history of music and to experience the vibrant musical culture of Tennessee.
