SPONSORSHIP OPPORTUNITIES FOR COLLEGE PARTNERS

This October, Chicago Scholars will once again host its premier event, Onsite College and Leadership Forum, where 1,000+ first-generation or under-resourced high school students will become some of the first in the nation to receive interviews, evaluations, admission offers, and merit aid.

This amazing day would not be possible without the support of our incredible college and university partners. You will have the opportunity to meet some of Chicago’s most talented and academically-ambitious students. Will you help us make sure we create an environment that fosters leadership development and personal success by considering a sponsorship of this unique event?
