

More on - "Draw Like A Painter - Draw Like Crazy – "  
3, 2.5 hour Drawing Workshops with Robert Masla

*"Drawing includes three and a half quarters of the content of painting... Drawing contains everything, except the hue."*

-Jean-Auguste-Dominique Ingres

In this fast moving, fun, 3, 2.5 hour workshop you will learn:

- Moving beyond the blank canvas - Intention, emotion and purpose.
- Art Methods and games for dissolving blocks and accessing the flow of your intuitive creative energy
- Simple exercises that you can practice on your own that sharpen skill, technique and eye hand coordination, while learning to see and think visually.
- How to distinguish between critique and inner critical thinking.
- How to shut off mental chatter.
- How composition and value is the essential foundation for building a strong drawing and a strong painting.
- The importance of, and methods for creating thumbnails, sketches and studies.
- Seeing and Thinking Visually.
- How all these various elements that go into the drawing process apply to painting, whether it be photo-realist, representational, abstract, etc. - from a portrait, to a still life, or landscape, to the totally non-objective.
