

# Now is the time.

Many people start thinking about sleep testing or getting a new CPAP during October through December. Deductibles met? Health savings account need to be used? Call NextGen Sleep today to schedule your appointment.

Don't wait until the last second to fit sleep testing into the holiday schedule. NextGen Sleep can test **immediately** so you can sleep soundly during the holiday season.

If you have declined sleep testing and treatment due to high costs, NextGen Sleep proudly offers an affordable, FDA approved sleep test that is covered by most major insurance companies.
