Rider Apparel

“Tuffa Footwear Limited is a family owned business specialising in the design, production and distribution of horse riding footwear and accessories, like chaps, gloves, gaiters and socks.

We started in 1997 and are proud to have established a brand reputation for style, durability and quality.

We sell mostly in the UK, but we are now seeing more demand for our products in North America, Europe, the Middle East and Australasia.

Our base is sited in a lovely rural setting in mid-Norfolk.

We have our own horses and ponies within our grounds and we enjoy riding them locally, when of course we use our own products!

Most of our riding boots are manufactured in Europe and we continuously ensure that our products meet our stringent quality and safety standards.

All of us at Tuffa hope you buy and enjoy our products and that you have a positive buying experience that gets repeated many times over the years to come.

Thank you for choosing Tuffa!”
