Roots of Wisdom:
Native Knowledge, Shared Science
Through May 5, 2019
Discover the unique partnership between cutting-edge western science and traditional indigenous knowledge - through the voices of elders and youth, storytelling, hands-on activities and clever video games. Experience the growing movement toward sustainability and the age-old ingenuity of indigenous practices.

West Coast Biennial:
Juried Art Exhibition
Through April 28, 2019
See art in diverse media from emerging and established artists working on the West Coast. Supported by Kathleen & Bill Evanhoe

Last Call: An Intoxicating History of Alcohol
Through May 12, 2019
From happy accidents to complex chemistry, human beings have a long and storied relationship with alcohol. Explore the deep history of alcoholic beverages, from myths to sophisticated science, in this in-house curated exhibition.

Famous Artists:
Student Art Exhibition
Through April 28, 2019
Enjoy pieces by local students in grades K-8 created in the Famous Artists school program and curated by our Famous Artists Portfolio Program Volunteers.
