The Community, Social, & Wellness Fund Rules and Eligibility

The Community, Social, & Wellness Fund provides funding for graduate student groups and organizations at the University of Chicago to plan and host events and programming that promote community-building and wellness. Here you will find application information, including fund rules and eligibility requirements.

Every graduate student is invited and encouraged to apply. You are required to submit an application for an event at least 14 days before it takes place. Each application includes two parts, an online form consisting of required questions and an itemized budget for the program/event that must be submitted along with it. Applications will be reviewed in the week following the deadline. All awards will utilize a reimbursement system, with additional information and receipts required before finalization of reimbursement. Additionally, if your application is rejected, you may apply again the next quarter using a new application if your event has not yet occurred. Upon receiving an award, you will be expected to provide some additional information and receipts for reimbursement.

Please read the instructions below carefully. Inaccurate contact information for the applicant could result in a delayed or rejected application. Please send all questions not addressed by the instructions to Kyle Kurfirst at kgkurfirst@ChicagoBooth.edu.

We look forward to reviewing all of your applications and learning about your work and achievements during this year. Ultimately, the goal of the Social, Community, & Wellness Fund is to allow graduate students to enrich their graduate experience in a time that may be challenging to do so. We hope that this fund works toward accomplishing this goal.

**In light of COVID-19, the following are considered unsafe practices and will not be allowed:**

- Permitting food and beverages, other than a personal water bottle
- In-person tabling
- Student organization travel, including within the Chicagoland area

Additionally, the City of Chicago has prohibited gatherings and parties in private residences with more than 6 people who do not live in the household, and consequently the CSW Fund will not be able to fund such events. Members of our campus community who attend any gathering are expected to wear a face covering and maintain at least 6 feet of social distancing.
1) Application Rules

- All applicants must be a graduate or professional student at The University of Chicago.
  - In addition, graduate or professional student organizations at the university may apply.
- Program/event purpose must demonstrate a positive impact to the greater University of Chicago community.
- Divisional student governments may not apply for funding.

2) Funding Guidelines

- Timing of application:
  - You may apply for funding at any time in advance if your event is scheduled for the 2020-2021 academic year.
  - There are 4 deadlines per quarter. For the fall quarter, the deadlines are:
    - October 9th, 2020
    - October 23rd, 2020
    - November 6th, 2020
    - November 20th, 2020
  - If requesting over $1000, the application must be submitted by a funding deadline which is at least one month before the time the event occurs.
  - If requesting over $2000, proof of other sources of funding or requests for funding must be provided.

- Guidelines of application:
  - Itemized budget must include the exact funds requested from Graduate Council and the exact goods and items they will be allocated toward.
GC Finance Committee highly recommends co-sponsorship, fundraising, corporate support, or other forms of subsidies, and will consider partial funding for such requests.

- GC WILL NOT provide funding for discretionary funds, non-specific misc. expenses, emergency cash, petty cash, or non-specific maintenance requests.

- GC DOES NOT fund services/gifts (e.g. speaker gifts, bartending, poster design).

**Evaluation and results:**

- The committee meets within two weeks of the application deadline to evaluate each application and render a decision of complete, partial, or no funding and will inform you of the same.

- A representative from your organization may be required to attend a committee meeting in order for your application to be processed. Meetings typically last approximately 5-15 minutes during which committee members will ask questions about your application.

- Rejected applicants are encouraged to apply again in the future, as early as the next academic quarter as long as your event/program has not passed.

**Use of approved funds and reimbursements:**

- Student groups/organizers may only use the provided funds for the purposes outlined in their application.

- Awardees will be granted funds as reimbursement of expenses, and awardees must submit receipt copies as documentation. These expenses must follow the rules of The University of Chicago.

- If there are circumstances that require GC to pre-fund certain items in your budget, please communicate this to the committee in the application. This is reviewed on a case-by-case basis and only granted in extraordinary circumstances.

- In order to receive the reimbursements, awardees MUST follow the directions provided to them upon notification that they have received the award.

- Awardees must submit reimbursement requests no later than 2 weeks after the last day of event/programming.
3) Speaker Funding Restrictions:

- There are stringent university guidelines for paying an honorarium to a speaker. These rules must be complied with in order to fund a speaker.

- CSW Fund does not directly provide funds for speaker accommodations. Therefore, expenses for the speaker, such as travel costs and hotels must be made by the speaker.

- For any award that includes an honorarium to an external speaker, the speaker will work directly with UChicagoGRAD to submit required documents and receive their reimbursement.

- CSW Fund cannot fund honoraria or fees to University of Chicago faculty or employees.

- CSW Fund will not fund honoraria or fees to University of Chicago students.

- CSW Fund will generally consider funding honoraria or fees to University alumni. However, GC encourages students and student organizations to request University of Chicago alumni to provide programming at the University of Chicago without charge.
