Bowler Spotlight

Congratulations to Escher Goslin with a 19 average he bowled games of 14, 38, and 36!!! GREAT BOWLING!!!! He is 3 years 8 months old and one of our youngest bowlers in the entire association!

13th Annual GPUSBC Open Championship

The Open Championship Tournament is bowled in two different centers, each having their own prize fund. We have found it better suited for our association to hold this tournament in centers on both sides of the association; one on the east side and one on the west side. Members are allowed to participate in both tournaments and receive cash awards from both tournaments. In the 2017-2018 tournament we are opening entries to out of association bowlers provided they carry a current USBC Membership card. This means if you want to put a team together with a bowler from Salem, Seattle, or cities far

away, you are welcome to do so.

The 2017-2018 Open Championship Tournaments will be held at Milwaukie Bowl on February 10th and 11th and Tigard Bowl on February 17th and 18th. We have added \$1,000 dollars to each prize fund.

As an incentive to get entries submitted early we will be having a drawing for a \$100 dollar gift certificate to the pro-shop of your chose for team captains who submit their registration with payment, at least one week prior to bowling. Captains do not have to bowl with the team to be eligible for

the drawing and can be entered multiple times.

Must Not Be Defaced**

The application of any foreign substance on any part of the approach that detracts from the possibility of other players having normal conditions is prohibited. 13th Annual GPUSBC Women's Championship Tournament

The 2017-2018 GPUSBC Women's Championship Tournament is scheduled to be held at Kellogg Bowl on March 24th-25th and March 31st. Due to Easter falling on the Sunday April 1st we will not be holding squads on that day. There will be 2 squads on Saturdays and 3 squads on Sundays. We have added \$2,000 dollars to the prize fund. We are opening the tournament to bowlers outside our association. This allows teams to include bowlers who are sanctioned through another association without the add-

ed cost of paying additional fees. I have heard there might be a few candy bars as well as a few surprises!

As an incentive to get entries submitted early we will be having a drawing for a \$100 dollar gift certificate to the pro-shop of your chose for team captains who submit their registration with payment, at least one week prior to bowling. Captains do not have to bowl with the team to be eligible for the drawing and can be entered multiple times.

GPUSBC Annual Hall of Fame and Awards Banquet

The 2018 GPUSBC Hall of Fame and Awards Banquet will be held at East Moreland Golf Course on June 9th. Social hour will begin at 6:00 PM and dinner served at 7:00 PM.

This banquet is our chance to honor the newest Hall of Fame Inductee as well as the 2018 Scholarship recipient and the 2018 GPUSBC Tournament champions.

Cost for the event has not been determined at this time. Information for the banquet will be updated on our website as details become available.

Mark your calendars and lets celebrate the end of another great bowling season.

USBC Rule 5

A foul occurs when a part of the player's body encroaches on or goes beyond the foul line and touches any part of the lane, equipment or building during or after a delivery. A ball is in play after a delivery until the same or another player is on the approach in position to make a succeeding delivery.

Stay tuned for the announcing of the Hall of Fame Class of 2018.

Managers Corner

New Bowlers

This week there will be deliveries done to all centers that have 1st Year Bowlers in their leagues.

The GPUSBC has put together a welcome gift for each 1st year bowler. The

gifts are to welcome the new bowlers to our great association and let them know a few things that are happening. We hope that

these bowlers will continue to bowl in our association for many years to come.

Did You Know?

USBC does not have a rule requiring open lanes be provided on either side of a league during league play. Whenever leagues have concerns regarding this issue, it is recommended the league officers, or a committee appointed by the league president, address the matter with center management.

Board of Directors

Larry Schwab joined the board in 2017 as a Director. Larry owns and operates Larry's Pro Shop located in Kingpins Bowling Center. He is the GPUSBC Kingpins Representative and is a member of the Hall of Fame committee. Larry was inducted into the GPUSBC Hall of Fame in 2004. If you see Larry, please take a minute to thank him for all he does to support our association and advance the sport of bowling.
