## Class Info

- We have a dedicated classroom space in the lower level of the building. It is important that students be able to navigate a typical stairway to access the classroom. It is equipped with sewing machines and cutting mats so that students will not need to carry those bulky items up or down the stairs.
- There is a 12 space parking lot at the rear of the building for our exclusive use so students will have no worries about finding a parking space close to the store
- You receive a 15% discount on any supplies you purchase for the class. Supply lists are available when you register, but it is wise not to purchase anything new until a week before the class starts, in case you have to drop the class or it's cancelled.
- Class Fees are payable at the time of registration.
- No refund or exchange is given on classes within 7 days of the class date. We have tried to be flexible with this in the past, but have to tighten up this rule. We try hard to accommodate hardships, but we can't give refunds if someone just forgets to turn up. Please mark down your dates.
- A full refund is issued if the class is canceled due to insufficient enrollment. You will be given a week's notice if this occurs.
- Class size is a minimum of 3 people, maximum of 8 people.
- If you would like to use a store sewing machine just let us know when you register, you will only need to get a pack of needles and a bobbin.

**We are always happy to have our classroom being used. If there is a class you'd like to take but don't see it listed let us know! If you want to gather a group of sewing friends together to take a specific class, we can do that too!**

## AND

**If you want to come and sew at the store with a group of sewing friends just doing your own thing, we are happy to help you book a day the classroom is available. For only \$5.00/person you can have a great time sewing, chatting and enjoying each others' company.**
