Some Quotes from the Seminar

"I believe that the Lord Jesus desires a level of intimacy with each one of His children that is deeper and more passionate than most of us have ever experienced!"

"I don't have all the answers; I'm not even sure I know all the questions. My only qualification in leading this seminar is that intimacy with God is my heart's burning desire, and that's the only qualification that you need to attend."

"What is prayer? Prayer is the language of intimacy and it is an ongoing conversation between two persons who are passionately in love with one another."

"As orthodox Anglicans, there is a danger of us being so concerned with accurate doctrine or church programs that we can easily conclude that's all there is! Over the course of 20 years, God's been showing me that the Presence of God was a place that I could learn to live in, not just visit occasionally."

"I am convinced that our Father God is passionately desiring to have fellowship with you and with me; after all, it's why He made us, and it's why He sent Jesus to die in our place to restore that lost intimacy."

Seminar Theme Scripture

O God, you are my God; earnestly I seek you; my soul thirsts for you; my flesh faints for you, as in a dry and weary land where there is no water.

So I have looked upon you in the sanctuary, beholding your power and glory. Because your steadfast love is better than life, my lips will praise you.

So I will bless you as long as I live; in your name I will lift up my hands.

My soul will be satisfied as with fat and rich food, and my mouth will praise you with joyful lips, when I remember you upon my bed, and meditate on you in the watches of the night;

for you have been my help, and in the shadow of your wings I will sing for joy.

My soul clings to you; your right hand upholds me.

Psalm 63: 1-8 ESV

The seminar consists of five sessions, the last of which is a directed corporate prayer gathering.

The ideal format would consist of a Friday evening session, two sessions Saturday morning, and two Saturday afternoon or evening.

It is highly recommended that participants attend all sessions due to the progressive flow of the seminar content.
