Endorsements

"The *Come and See ~ Catholic Bible Study* series provides an in depth and detailed analysis of the books of the Bible and is both an educational and spiritual way of approaching the word of God as revealed in Sacred Scripture."

Most Reverend Gerald M. Barbarito,
Bishop of Palm Beach, FL

"We found this Bible Study to be unique in several ways. It required personal preparation, reading the chapter and its excellent commentary provided by the authors, and answering questions that connected the chapter with other passages in the Old and New Testament and in the *Catechism of the Catholic Church*. The questions also invited us to personal reflection and to apply the teachings to our personal lives and to the problems of today. Thus, we learned a lot!"

Dr. and Mrs. Renato Gadenz, Eatontown, NJ

"The *Come and See ~ Catholic Bible Studies* are excellent and are helping men and women all over the country better understand the Bible and its relationship to the Catholic Church... Highly recommended."

Ralph Martin, S.T.D.,
President, Renewal Ministries, Ann Arbor
Director, New Evangelization,
Sacred Heart Seminary, Detroit, MI

"Certainly this is THE BEST study on the market. Not just because it is the least expensive, no, but, because it is so well done. I've researched extensively. It IS the best. Our parish is in the 10th year of *Come and See ~ Catholic Bible Study* and loving it!"

Chris Snyder,
Marlborough, MA
