WHAT IS THE LEV3L RETREAT?

The Fall retreat is a time for us to get away as a student ministry and spend some time with each other and also spend some time understanding more about God's plan for our lives. We will have A LOT of fun on this retreat! During the weekend you will be staying in cabins with other students your same age. Throughout the weekend you will spend time in small groups with your grade and also spend some time in large group worship with the rest of the group. We will also honor our rising Seniors.

YOU DON'T WANT TO MISS IT!

Register today by filling out a registration app on the 3rd floor.
