GONE LIST
December 6, 2016 to December 5, 2017
ONTARIO
plus the names of the 14 women who died at the
Ecole Polytechnique on
December 6, 1989.

Fourteen women who studied engineering at the Ecole Polytechnique in Montreal were murdered on this day December 6, 1989, precisely because they were women who dared to study engineering. Their murderer decried feminists saying he hated them and then he gunned these women down killing them and wounding 9 others. These are their names.
