Affirmative Leaders Fellowship - Sample Curriculum

Affirmative Leaders Fellows will participate in a curriculum like the one below. In addition to this programming, each fellow will be paired with a mentor to help them think through the myriad challenges and opportunities of building an equitable enforcement practice. Fellows will also have access to Public Rights Project’s nationwide network of public impact litigators and to the growing community of Affirmative Leaders Fellows and alumni.

Two-Day Convenings

Affirmative Leaders Fellows will join 3 in-person convenings during their fellowship year. These convenings focus on the lifecycle of an enforcement matter and the strategic considerations and skills necessary to successfully pursue them.

Getting Started: Frameworks for Identifying Cases and Rooting in Equity and Community

Getting the Facts: Investigations

Getting to Impact: Deciding to Act, Resolving Matters, Communicating to Amplify Your Results

Sample Webinars

Affirmative Leaders Fellows will participate in monthly webinars with experience practitioners on substantive and procedural topics relevant to building and strengthening an affirmative practice. Previous webinar topics have included:

Preemption
Writing and organizing effective amicus briefs
Current trends in public rights enforcement, e.g., student lending, housing, policing issues, and workers rights
Equity tools for enforcers
