

FOWEY WALKS (Polruan side)

All paths are steep in parts and can be slippery and uneven.

Hall Walk: 2-3 hrs. A beautiful, sheltered woodland walk around harbour and Pont Pill. Polruan & Bodinnick ferries run every 15 mins.

Polruan - Lantic Bay - Lanteglos Church - Pont Mill - Polruan: Allow 3 hours. Stunning coastal and creek-side walk. Daphne de Maurier married Major Tommy Browning at Lanteglos Church (Lanoc Church in 'The Loving Spirit') in 1932. They left by the short path to Pont Mill and from there by barge.

This is just a sketch map and is not intended to replace the Ordnance Survey 1/50,000 / 25,000. If you don't have a proper map allow extra time for getting lost or stick to the coastal path which is easy!! Ferry telephone no. (if you need advice!) 07977 203394.

A free copy of this map is available on board.
