Live Local Medical District Program Guidelines

Program Overview

Program Description

The Live Local Medical District Program provides several types of incentives for eligible employees, as defined below by the employer, to live and invest in their homes in and around the Medical District. These incentive options will accommodate those looking to purchase a new or existing home, those interested in renting, and existing homeowners who wish to complete exterior improvements on their existing home.

The Live Local Medical District Program provides:

- New homeowners relocating to the district with a one-to-one matching forgivable loan up to $15,000 toward the purchase or new construction of their primary residence;

- New renters with up to a $2,000 allowance toward the cost of their apartment when relocating within the incentive areas for a lease term of not less than one year;

- Existing renters within the district with an allowance of $1,000 over one year when an existing lease is renewed for a term of not less than one year; and

- Existing homeowners in the district with a matching allowance of up to $5,000 for exterior improvements.

The Live Local Medical District Program is administered by MDCDC, Inc. (MDC). The Program is subject to the availability of funds and may be cancelled or modified at any time. Incentives may not be combined, unless otherwise specified below.

Program Effective Dates

The Live Local Medical District Program is effective October 1, 2016. Only purchase agreements, leases, and renovations initiated after this date may be eligible.
Employee Eligibility

Candidates must be employed by ALSAC, Methodist Le Bonheur Healthcare, Regional One Health, or Southern College of Optometry, and must meet the eligibility requirements listed below of their respective employers in order to qualify for the program.

Specific Instructions/Program Changes:

Employer: Methodist Le Bonheur Healthcare

- Any full-time or part-time Methodist Le Bonheur Healthcare (MLH) Associate working at an MLH site located within one mile of the defined Medical District are eligible to participate in this program. This includes any MLH hospital, physician practice; urgent care center, outpatient clinic and corporate department located within one mile of the defined Medical District.

- MLH Associates who do not work in a MLH site within one mile of the defined Medical District are not eligible for participation in this program.

- Full-time or part-time MLH Associates must also be in good-standing to be eligible to participate in this program.

- PRN Associates, temporary staff, students and externs are not eligible for participation in this program.

Institutional Verification and Preapproval

Associates wishing to participate in the program should complete Part I of the appropriate application form and return it to their corporate designee. Employment status and eligibility will then be verified, allowing a candidate to proceed with the housing search and application process. For contact information for your corporate designee, please see the last page of this document.

Income Related to Incentive

The applicant is required to acknowledge his/her understanding of the income and subsequent tax and tax withholdings consequences related to his/her participation in Live Local Medical District Program. As part of the application process all applicants are required to read and sign the Tax Disclosure Acknowledgement, presented in Appendix A.
Live Local Medical District Program Guidelines

Program Boundaries

The Live Local Medical District Program will be available for use with residential housing units located within the Memphis Medical District and select neighboring geographies. Incentives will vary depending on whether the participating unit is within the Primary or Secondary Incentive Area. The map below provides an overview of each boundary. Participants can access a full description of the bounding streets for each Incentive Area in Appendix B.

Primary Incentive Area

The Primary Incentive Area overlaps with the boundaries of the Medical District. Maximum incentives apply which includes:

- Purchase - $15,000
- Rental (New) - $2,000
- Rental (Existing) - $1,000
- Improvement - $5,000

Secondary Incentive Area

The Secondary Incentive Area includes neighborhoods north of St. Jude and eastern neighborhoods near Crosstown and Snowden. This boundary was drawn to provide greater variety in housing choice. However, the incentives are reduced, and the rental renewal and improvement incentives are not offered:

- Purchase - $10,000
- Rental (New) - $1,000
Residential Rental Incentive Program

Rental Incentive Program

The rental incentive program provides qualified associates with a subsidy of up to $2,000, spread across semi-annual payments that can be applied towards the rent of their primary residence within the incentive area(s). The rental incentive should benefit associates who wish to live closer to work but are not yet ready to commit to purchasing a home.

Applicant Eligibility (Section I)

Discretion of Corporate Designee

The human resource designee from Methodist Le Bonheur Healthcare has final determination authority over an applicant’s eligibility to participate in the program. All questions of internal eligibility must be resolved with the appropriate designee before completing Section II and Section III of the application.

Property Eligibility (Section II)

Renter Eligibility

First time residents moving into the incentive area(s) are eligible to receive up to $2,000 in rental subsidy toward a rental property in the Primary Incentive Area or $1,000 toward a rental property in the Secondary Incentive Area. Residents who previously lived within the Primary Incentive Area are eligible to receive $1,000 upon lease renewal or relocation within the Primary Incentive Area. Residents who previously lived within the Secondary Incentive Area are eligible for $1,000 only if they are relocating into the Primary Incentive Area.

Housing Type

Applicants wishing to rent within the incentive area(s) for their primary residence will have several housing styles from which to choose. These can include detached single-family homes as well as townhomes, lofts, and apartments. In order to ensure the safe and quality experience for participants, all eligible units must conform to Rental Housing Livability Criteria developed by the MDC. Representatives from MDC will continually survey rental property within the district to assess its livability. A full description of the methodology used by MDC in surveying properties can be accessed in Appendix D.

The MDC also manages a dynamic housing portal that participants can use while searching for housing. The online map includes all known eligible properties for rent within the incentive areas, with information on pricing and amenities.

Verification & Pre-approval

In order to verify that the rental property is eligible for the program, part two of the application must be submitted with the property information including address and unit number. The Program Administrator may also contact the prospective lessor to schedule an inspection if the property has not been recently evaluated by MDC.
Leasing (Section III)

Lease Terms

The minimum term for a residential lease under this program will be for one year. Leases longer than one year are acceptable. Exceptions to the one-year minimum may be made by the Program Administrator in his/her sole discretion upon a showing by the Applicant of a compelling need for deviation from the one year term requirement.

Time Limitation

The applicant shall have 45 days from the date of property pre-approval in order to sign the lease. A copy of the fully executed lease (signed by tenant and landlord) must be submitted with part three of the application. Applicants whose lease signing is delayed beyond the 45-day limit must reapply and will be subject to funding availability. Applications submitted after a lease has been signed will not be accepted.

Application of Funds

Based upon eligibility, funds will be distributed directly on a semi-annual basis to the Participant, who shall agree and certify that all Rental Incentive funds are expended solely on the rent of the property.

Compliance to Receive Rental Subsidy

Program Compliance

The MDC will ensure that a Participant remains in compliance with the guidelines of the program in two ways:

- **Within 90 Days:** Participants are responsible for providing the MDC with a proof of residence change within 90 days of residency. Eligible documentation includes a copy of the updated driver’s license, property tax record, or utilities bill.
- **Annually:** MDC will connect annually with each employer’s human resource designee to ensure that the Participant remains employed and in good standing.

Monitoring

Noncompliance events include separation of employment and change or residence. In the event of noncompliance all future semi-annual payments to the Participant will cease.
Semi-annual payments will cease upon any of the following events:

**Separation of Employment**

If a Participant should separate from Methodist Le Bonheur Healthcare, dispersion of rental subsidy will cease immediately.

**Change of Residence**

If the Participant moves out from the residence for which the lease has been signed, no further payments will be made. However, participants relocating to another eligible residence within the Primary Incentive Area may reapply and, if approved, semi-annual payments will then be made Participant at the new rental property. Overall annual rental subsidy funding shall not exceed $2,000 per Participant.

**Limitations**

Applicants are not eligible to utilize the Purchase and rental incentives within the same program year. The renewal incentive is not guaranteed in future years for participants who utilize the rental incentive in the first year. A recipient of a relocation rental incentive may, in the next year, apply for a renewal incentive, the granting of which shall be in the sole discretion of the Program Administrator. Multiple co-tenants may, at the sole discretion of the Program Administrator, be eligible for rental incentives for the same property.
