

Have you ever thought about learning to Throw Pottery?

Ask us about classes!

Instead of making a course schedule and hoping that the times/dates will work for some people, we will work with you to create a schedule that works for YOU.

The course consists of six classes, each meets for 2 hours. You will get hands-on instruction. All materials (clay, glaze, tools, use of wheels, etc.) are included in the cost of the course. Most students complete at least ten projects through to finished, glazed pieces. In addition, because we have an Open Studio, students are welcome and encouraged to come in and practice any time during Hillermann's business hours.

Cost for the 6-class course is \$230.00 per person.
Two or more people can sign up to take classes together.
