

## Kids' Pottery Summer Classes

Wheel Throwing and Hand-building

Ages 8 to 14 - \$120 per child

Clay Classes are a great way for kids to have fun, learn and get creative! I offer classes for kids of ages 8 and up. Kids will learn all about clay including hand building. No experience is needed and classes include everything they need. Please wear old clothes and bring a towel. Classes include studio sessions and glazing session.

These are weeklong classes in which kid's will spend two days creating functional pottery on the wheel learning basic skills and making some masterpieces! They will spend one day glazing their masterpieces. Then, two days will be spent hand building a pottery item of their own design. Their pottery can be picked up two weeks after the class ends.

**Time:** 2:30 pm - 4:00 pm

**Weeklong Class Dates:**

May 23 - 27

June 13-17

June 27 - July 1

July 11 - 15

Aug 4 - 8

Designed for both beginning and advanced students. Kid's classes include: clay, glazing and firing in electric kilns. Our clays/glazes are lead free and food, microwave and dishwasher safe. Your space in class is not reserved until paid in full. Tuition will be refunded, less a \$20 cancellation fee, if you withdraw 7 days before the first class. Once classes start, there will be NO refunds on tuition. Classes with less than 3 kids enrolled will be cancelled and refunded.
