Why Choose Dr. Wheat:

If you are a patient who is experiencing numbness, tingling, pain, muscle weakness and/or muscle pain or cramping, Dr. Stephen W. Wheat is one of the only physicians in the region specializing in electrodiagnostic medicine, and the only physician in Northwest Louisiana using ultrasound as a non-invasive, visual approach to diagnosing the cause of neuromuscular and skeletal pain.

- Dr. Wheat is triple board certified in:
  - Electrodiagnostic Medicine
  - Physical Medicine & Rehabilitation
  - Internal Medicine
- More than 25 years as a physician
- Performed greater than 14,000 electrodiagnostic procedures
- Done more than 10,000 neuromuscular and skeletal ultrasound procedures
- Trained multiple physicians across the globe
- Teaches at Baylor College of Medicine, Houston, Texas
- One of the most trusted & skilled advanced diagnostic specialists in the region

It would be my privilege to partner with you.
