Give the Gift of An Education: Sponsor A Student through a Scholarship

Frederick K.C. Price III Christian Schools (FKCP) is the best kept secret in Los Angeles! Located in South Central Los Angeles, we are providing over 250 students in preschool through 12th grade with a values-based, college preparatory education on the secure 32-acre campus of Crenshaw Christian Center. Each year, our graduates go on to attend some of the finest colleges and universities in the world, including California State University, Cornell University, Dartmouth College, Howard University, Stanford University, University of California, and University of Southern California.

FKCP works to keep tuition costs affordable. Our parents have made a commitment to their children, with some even holding two or more jobs to finance tuition. In fact, many interested parents are unable to enroll their students at FKCP without financial assistance. **Without 100% enrollment for the 2018-2019 school year, FKCP will be unable to keep its doors open.**

You have expressed interest in providing financial support to children who would otherwise be unable to attend FKCP. We appreciate your support of our schools and our children. As a Sponsor, you may choose to support a student from one of the following levels:

- \$5,250 would completely sponsor one Elementary (K-5) Student for the 2018-2019 school year in FKCP's elementary school.
- \$7,000 would completely sponsor one Middle School (6-8) or High School (9-12) Student for the 2018-2019 school year in FKCP's secondary school.

Sponsorships are awarded to academically worthy students, whose parents cannot afford the tuition. So, any amount towards a sponsorship will be appreciated. **Your contribution of sponsorship dollars is tax deductible. If you specify a sponsorship for a particular student, by law, your contribution is not tax deductible.**

If you are still interested, please contact Lauren Hopkins at 323-758-3777 x4137 or lhopkins@faithdome.org.

If contributing towards a sponsorship is not possible, please commit to praying for our school.
