

3-6 Football Information Sheet

All practices and in house scrimmages will be held at Giorgetti or the Rutland Rec Community Center. Practices will be held at Giorgetti Arena and RRCC while in house scrimmages will be at the Rutland Rec Community Center. Practices are based on coach availability. A practice schedule with location and times will be sent out by Monday 9/14. ****Please note Giorgetti does not have bathroom access***

- Britt Malmgren will be checking in players at the field
- We ask that only one parent is at check in.
- All players, parents, and coaches must wear a mask at check in.
- During physical activity, Vermont Guidelines for Fall Sports require mask wearing during physical activity. IF your child has anxiety, asthma, or other medical conditions that would be deemed as unsafe while wearing a mask during physical activity please give a hand written note to Head Coach or Program Director, Britt Malmgren prior to or at the first practice.
- Each player will be asked 2 screening questions upon arrival at practices and in house scrimmages. We ask if anything changes throughout the week that parents notify the coaches/program director.
- Travel Restrictions can be referenced from the map (linked below). This map is updated on Fridays by the ACCD. We recognize the vacations are important to families, however if a family travels to an unsafe county given by the map, a player must quarantine. Please refer to: <https://accd.vermont.gov/covid-19/restart/cross-state-travel>
- As mentioned previously, each coach and player will have their temperature checked before each scheduled practice/scrimmage. NOTE: Temperatures must be under 100.4 We recognize that it can be HOT out, and we may have to retake the temperature after the player takes a moment in the shade for a few minutes. A record will be kept.
- We ask for parents to social distance if they are watching practice, but encourage a "drop off" and "pick up" practice.

Practice dates: (Tuesday, Friday) Based on coach availability to come 9/14
