Researcher Job Ad

The [Applied Economics Clinic](#) (AEC) is looking for a Researcher with: (1) strong technical and quantitative skills (2) a strong desire to learn new models and data techniques and (3) enthusiasm for working on issues related to energy, environment, equity and other consumer rights.

AEC provides technical expertise to public service organizations working on these topics. Founded in February 2017, AEC is a non-profit consulting group offering expert services from seasoned professionals, while also providing on-the-job training to the next generation of technical experts on public interest issues. AEC is housed at Tufts University's Global Development and Environment Institute in Somerville, Massachusetts.

Mandatory qualifications:

* Master's degree in a relevant field or a Bachelor's degree in any technical field (economics, engineering, science, etc.) with minimum two years relevant experience.
* Strong technical/quantitative skills
* Familiarity with complex Excel functions
* Strong interest in some or all of the following topics: climate, energy, environment, consumer issues, and equity
* Strong writing skills, including an ability to write for both technical and popular audiences
* Ability to work on multiple projects simultaneously and manage time well
* Ability to work collaboratively, sharing tasks, knowledge, and work space with colleagues
* Willingness to learn and use feedback to improve

Desired qualifications:

* Master's or PhD in any technical field (economics, engineering, science, etc.)
* Experience in statistics, modeling, and/or other forms of quantitative analysis
* Background in energy, environment or equity issues

This is full-time position with benefits. Salary is very competitive. The position will begin in July or August 2018.

Applications will be considered on a rolling basis. Applications will be accepted until a suitable applicant is found, or until June 30, 2018.

To apply, please send the following materials to jobs@aeclinic.org

* A cover letter
* CV or Resume
* Excel sample
* Technical writing sample
* Popular audience writing sample
* The names and contact information of three references
