AEC Job Announcement

The Applied Economics Clinic (AEC) is looking for a Modeler with:

(1) strong technical and quantitative skills;
(2) a strong desire to learn new models and data techniques; and
(3) enthusiasm for working on issues related to energy, environment, equity and other consumer rights.

Founded in 2017, AEC is a non-profit consulting group offering expert services to public service organizations from seasoned professionals, while also providing on-the-job training to the next generation of technical experts on public interest issues (www.aeclinic.org). AEC is housed at (but independent from) Tufts University’s Global Development and Environment Institute in Somerville, Massachusetts.

Mandatory qualifications:

- Masters in any technical field (economics, engineering, science, etc.), PhD in a relevant field, or four years of relevant experience
- Strong technical/quantitative skills
- Familiarity with complex Excel functions
- Strong interest in some or all the following topics: climate, energy, environment, consumer issues, and equity
- Strong technical and popular audience writing skills
- Ability to work on multiple projects simultaneously and manage time well
- Ability to work collaboratively, sharing tasks, knowledge, and work space with colleagues
- Willingness to learn and use feedback to improve

Desired qualifications:

- Background in energy, environment or equity issues
- Energy modeling experience, particularly in electric sector and/or natural gas sector

This is a full-time position with benefits. Salary is very competitive. The position will begin in early 2019. Applications will be considered on a rolling basis and reviewed in the order received. Depending on level of experience, AEC may offer the position as an ongoing position (pending regular performance reviews) or a one-year research fellowship with the possibility of an ongoing position offer, pending a performance review. AEC will consider candidates at several levels of experience: recent graduates and those completing a degree program; early career modelers; and more experienced modelers.

To apply, please send the following materials to jobs@aeclinic.org

- A cover letter
- CV or resume
- Excel sample
- Technical writing sample
- The names and contact information of three references
