

Dear Pettigrew Families,

The parents of the PTO are happy to announce a new, completely voluntary Holiday Gift Giving Program at Pettigrew Elementary. The purpose is to provide a convenient way to pool money towards collaborative gifts to remember our wonderful Pettigrew teachers and staff.

### Here's how it works:

Fill out the attached form, marking the name and amount of the person(s) you would like to contribute towards a gift. You can choose any amount and any person(s) you like. You can sign your family name, your child's name, or remain anonymous. Return the form with cash or check (made out to R.F. Pettigrew) by December 14 in an envelope marked "Holiday Gift."

Each staff member will receive a card before the holiday break that includes the total amount gifted and a list of everyone that contributed. Your amount donated is confidential - only your name will be listed.

Other schools that have tried this love it:

**Great for Parents** - *Save time shopping and you know the teachers are getting something they can really use!*

**Great for Teachers** - *They appreciate the thoughtfulness and generosity!*

Please remember that participation is optional and voluntary and that all gift amounts will remain confidential.

Happy Holidays!

# 2018 Pettigrew Holiday Gift Giving Form

Please mark each person you would like to contribute to with the amount gifted
