Letter to the Editor

Dear Editor: We would like to express our appreciation to the citizens of Sitka for a relatively incident free Labor Day weekend at state parks and Forest Service recreation facilities.

The problems of vandalism, litter, drunkenness and rowdy behavior at public recreation sites concern us all. They are not pleasant experiences for users and visitors and cost the taxpayers money.

We intend to continue our patrols and surveillance so that our recreation areas continue to be fun and enjoyable.

Acting District Ranger Forest Service Wendy Skolten, Ranger Sitka Parks
