With a steady return of nonprofit and school partners, we increased the amount of volunteer opportunities by almost 30%!
EVEN MORE NUMBERS

55% INCREASE IN NEW VOLUNTEERS

With a focus on providing enriching and meaningful volunteer experiences, our overall Net Promoter Score rose from a 76 to a 79.
Pulling off a massive day of service isn’t easy, or for the faint of heart, and to make Hands On Atlanta Day 2018 happen, we had to dig deep and rally the troops. We had 35 corporate sponsors come through (thank you, thank you, thank you and high fives) to support more than 50 projects at nonprofits and schools throughout metro Atlanta. We leaned on our title sponsor, Delta Air Lines, to set the tone for the day at Bolton Academy with 150 employees and another 150 families and community members who rolled up their sleeves to build a Kaboom! playground and outdoor classroom in just 6 hours! But that’s just the start…

Impact

Our education programs provide focused impact in the areas of Youth Development, Education, and Family Support + Self-Sufficiency.

AmeriCorps

Our AmeriCorps members serve in elementary and middle schools and at other local nonprofits, helping students improve their academic performance by closing the achievement gap.

Discovery

Our Discovery program provides structured enrichment activities to K-5 youth, teaching STEAM, Social Emotional Learning, and health & fitness concepts. Discovery operates 2 Saturdays a month during the school year and is led by dedicated community volunteers.

Discovery After School

In partnership with the City of Atlanta’s C.T. Martin, Center of Hope, we deliver Discovery curriculum to students M-TH throughout the school year.

Talk With Me Baby @ Work

Talk with Me Baby @ Work is a 3 week program, utilizing volunteers to facilitate workshops that train caregivers how to create intentional interactions with their children to boost language development.

Meals 4 Kids

Volunteers assemble backpacks filled with ready-to-eat meals and snack foods that don’t require refrigeration. Packing events take place at Hands On Atlanta after orientation and at the sites of corporate sponsors. Backpacks are delivered to the children at partern schools before weekends and school breaks.
By the Numbers

Our Education Programs provide direct, wraparound services to metro Atlanta youth, while leveraging passionate community volunteers. Led by our dynamic AmeriCorps program, our Education Programs make significant, positive contributions in the lives of youth across the city.

4,731 Students Engaged

Through our deep partnerships with our school partners, our wrap around education programs (AmeriCorps, Discovery, and Meals4Kids) we flew over our goal of engaging 1,400 students.

19,538 Pounds of Food

Through support from our corporate partners, we helped source and deliver over 16,000 meals for students at our partner school.

27 AmeriCorps Members

Our members served as tutors and SEL coaches at 10 partner sites, supporting 515 elementary and middle school students.
BY THE NUMBERS

30
TALK WITH ME BABY @ WORK PARTNERS

More than 200 participants from our partner companies and organizations joined TWMB@W sessions, led by 40 volunteer facilitators.

768
STUDENTS PARTICIPATING IN DISCOVERY

Supporting 11 school sites (6 sites in FY18), K-5 students received structured enrichment activities covering STEAM to health & fitness.

100
DISCOVERY AFTER SCHOOL STUDENTS

In our pilot year, 100 students participated in Discovery After School at C.T. Martin, Center of Hope.
The masses were out in full force for another big day of impact for the 2019 MLK Day of Service. Backed by a huge turnout from our presenting sponsor Coca-Cola and all 20 of our corporate sponsors, volunteers rolled up their sleeves and worked on a diverse and impactful series of projects at our partner nonprofits and schools.

On Sunday, January 20, 300 corporate and community leaders gathered around the dinner table at the College Football Hall of Fame for an engaging conversation about sports and social justice. In partnership with The King Center and Civic Dinners, 11Alive’s Cheryl Preheim moderated a panel that included Nate Boyer, a catalyst in Colin Kaepernick’s take a knee movement, Nzinga Shaw, Chief Diversity and Inclusion Officer of the Atlanta Hawks and State Farm Arena and Rev. Dr. Greg Ellison, founder of Fearless Dialogues and Associate Professor at Emory University, The panel served as a great place setting for the meaningful “Bridging the Racial Divide” table conversations.
COMMUNITY ENGAGEMENT PROGRAMS

IMPACT

Our community engagement programs are focused in the areas of building capacity for our nonprofit partners and volunteer leader engagement.

HANDS ON PARTNER SERVICES

We partner with close to 100 nonprofits throughout the year, providing volunteer management software and best practices, marketing resources and support, as well as general nonprofit management training and workshops.

CIVIC LEADERSHIP PROGRAM

The Civic Leadership Program trains volunteers while supporting the needs of nonprofit agencies. Participants begin as fellows and become civic leaders through ongoing leadership training and mentoring provided by Hands On Atlanta staff, alumni and partners.

TEAMWORKS!

Dubbed "competitive volunteering," TeamWorks! brings together volunteers through fun service projects, team building, and social activities. Join a team, make a friend while making a difference!

STARBUCKS SERVICE FELLOWS

In partnership with the Starbucks Foundation, Points of Light and the Atlanta Community Food Bank, Hands On Atlanta has helped create a groundbreaking national service program that provides Starbucks retail employees an opportunity to lend their hearts, hands and minds to local organizations that leverage volunteers to meet their mission.
BY THE NUMBERS

In FY19, we saw continued growth across our community engagement programs. We piloted and renewed the Starbucks Service Fellows, supporting food pantries through the Atlanta Community Food Bank, retained our nonprofit partners, and graduated another strong class of Civic Leaders.

$3.4M
DIRECT IMPACT TO THE ATL COMMUNITY

Based on the $25.43/hr value of a volunteer hour (as determined by the Independent Sector, 2019) and the hours served throughout volunteer calendar.

85
NONPROFIT PARTNERS

Our network of nonprofit partners are the heart and soul of our work. They provide the daily projects and help build our volunteer calendar.

15
CIVIC FELLOWS

Our Civic Fellows supported 180 projects at Discovery and with our nonprofit partners.
On Saturday, April 13, more than 300 long-time (and new) friends packed into Manuel’s Tavern for an evening of celebration and fundraising at our 30th Birthday themed High Five Party. We celebrated our founders, including Elise Eplan, Kent Alexander and Michelle Nunn who helped make Hands On Atlanta one of the largest community engagement organizations in the world. We also recognized our 2019 Changemaker of the Year, Mayor Shirley Franklin and Hands On Atlanta legend, Genora Crooke for her 23 years of service. WSB-TV’s Fred Blankenship helped with our fund-a-need fundraising portion of the night, pulling in a total of over $150,000 for the night!

CORPORATE AND FOUNDATION

We are grateful for financial support from federal and state grants, foundations, and corporate partners. In FY19, we engaged over 100 companies by activating employees and sponsoring our days of service (Hands On Atlanta Day and MLK Day). Our goal remains to make getting involved in the community as easy as possible, and to positively impact our nonprofit partners and programs.
