Our mission is to improve the communities of Ohio through smart growth strategies and research. **Our vision is a revitalized Ohio.**

**OUR GUIDING VALUES**

**NON-PARTISAN VOICE, BI-PARTISAN WORK**

Our policy platforms are based on objective data, not politics, and we work with both sides of the aisle to achieve our goals.

**RECOGNIZING POTENTIAL**

We build upon what exists, see what could be, and create solutions to enable sustainable growth.

**INFORMED LEADERSHIP**

Our research and analysis are designed to impact strategic decisions and investments.

**CONNECTING OHIO**

Collaboration and cooperation are fundamental to how we plan and work.

**PRIDE IN PLACE**

The vitality of Ohio, and its cities and towns, matter to us and motivates our actions.

The Greater Ohio Policy Center incorporated as a 501(c)3 in 2008. Roughly 60% of our budget comes from foundation grants, 35% from fee-for-service research and consulting projects, and 5% from event sponsorships and registrations.
