WORK EXPERIENCES

MINDMARKET @ CCAD

SR. DESIGNER

AUG 2016-PRESENT

Using a combination design thinking, research, and strategy to better help non-profit clients in expressing their ideas and ideals.

OLOGIE

CREATIVE INTERN

MAY 2016-AUG 2016

Worked on branding and design projects for national and international clients, ranging from colleges to real estate conglomerates. Created wireframes and UI elements for client websites.

GRAY'S AUCTIONEERS

ART DIRECTOR

OCT 2014-MAY 2015

Re-designed brand identity system and created a visual language. Redesigned website. Created in-house inventory management software. Created award-winning iOS and Android apps. Photographed 500+ items every month and designed a unique print catalogue.

EDUCATION

COLUMBUS COLLEGE OF ART & DESIGN

M.F.A DEGREE

AUG 2015-MAY 2017

Pulling together parts of many fields of thought, from sociology and philosophy to photography and design, to demonstrate how all life is connected. In doing so, I make the argument that unity is better than division and offer a uniquely integrative way of thinking.

OHIO WESLEYAN UNIVERSITY

B.A DEGREE

AUG 2010-MAY 2014

Double major in Economics-Management and Humanities-Classics. Focused on how to do business from a human-centric standpoint to create meaningful results.
